PARLIAMENT QUESTION

QUESTION NO:  1155

TO BE ASKED ON:  Thursday 16 August 2012

BY:  Mr F.J Ramsden, MP (Maun East)

QUESTION:

To ask the Minister of Education and Skills Development:

(i) To state the number of junior secondary schools in Kanye, Molepolole, Mogoditshane, Serowe and Maun; and

(ii) Whether there are any plans to build more junior secondary schools in Maun to equate the number to those of other villages bearing in mind that Maun is the third largest village in the country in terms of population and because congestion in the schools is overwhelming.

ANSWER

i. Madam Speaker, the number of junior secondary schools in the areas referred to by the Honourable Member is as follows:

Kanye    =  6
Molepolole =  8
Mogoditshane =  2
Serowe    =  7
Maun      =  4
ii. My Ministry had planned to construct a new junior secondary school in Maun during NDP10. This project has been deferred due to the economic melt-down which compelled Government to delay the implementation of some of its planned projects.

I thank you.
