HONOURABLE MEMBER: Elucidation.

MR BOKO: Granted Mahalapye West.

MR TSHERE: *On a point of elucidation. Thank you very much Honourable Chairperson and thank you Honourable Boko. Kana kgang e o e buang e o e boelela e bile, ya gore kana gatwe go na le amendments, rona re le Mapalamente gone jaana re debate molao o o sa baakanngwang. Re ka tswa fa ra ya go tlhophya gore jaanong molao o o sa baakanngwang, o o reng batho ba reediwe on phones for 14 days, gotwe go nne le identities tse di rileng tsa maitirelo, kana ke one o re yang go tlhophya mo go one. Ga ke itse gore a o raya gone moo gore ka gore maDomkrag ba kgona gore ba ipolaye e le bone fela, gore o tlaa tla o bona go tlhophiwa, ba tlaabo ba tlhophya ba re ee one molao o ba ntse ba itse gore ga o ise o baakanngwe. Do you not see this as fraud Honourable Boko? Thank you.*

MR BOKO: Ke dumalana le wena *the Member of Parliament for Mahalapye West* gore re tlaabo re tsena fa re tswa gone fa re tlhophya molao ka fa o ntseng ka teng, ka fa o saleng o tlisiwa ka teng. Batswana kwa Tshikhinyega le Mowaneng, ga ba itse ka *amendments* tse e leng gore gatwe di tlaa nna teng.

HONOURABLE MEMBER: Clarification.

HONOURABLE MEMBER: Mo tlhokomologe yoo, tswela.

MR BOKO: Nte ke mo neele, mme fela fa a ka bua botlhale *Mr Chairperson, I am giving him on the condition that o tlaa bua botlhale. Granted.*

MR MANGWEGAPE-HEALY: *Clarification. Thank you Mr Chairperson, good morning! Thank you Honourable Boko, tsala ya me batho. Ke ne ke bona o kare jaaka o ntse o bua, ka ke go setse morago listening attentively, o ne o supa fa o ntse le... because of the*

protests and other things from different artists, o lemoga gore Tona Mmusi o dirile diphetogo dingwe, e bile o lebogela ba ba neng ba thusa ka pressure eo. Jaanong ke bona o kare Honourable Tshere o go busetsa kwa morago because what he is saying now is inconsistent with what you have been saying. Kana wena o lebogela gore pressure has worked and there are going to be significant changes tse o dumalanang le tsone. Jaanong ke bona o kare Honourable Tshere o santse a le mo tereneng e e kwa Mahalapye mme wena o mo Gaborone. Ke ne ke re can you reconcile with that? Thank you.

MR BOKO: Go a supafala tota gore o ne wa tshaba sekole, o ka se ka wa itumelela gore le fetotse melao ka mabaka a *pressure* e e tswang kwa ntle. *I think go rurifatsa yone kgang e ke saleng ke e bua bogologolo ya gore maDomkrag ba na le leshekere la dikakanyo. Leshekere la teng le ntse le a itshupa ka matsatsi le matsatsi gore bone fa e le sengwe, ba kampa ba act on the pressure from outside, they cannot think for themselves. They cannot come up with laws tse di ka tsayang lefatshe la ya golo gongwe. Ba tshwanetse go emela go ka tlhaselwa, go nna le pressure e e tswang kwa ntle.*

Ke tswela *Mr Chairperson*, ke lebile *amendments* ke le nosi, batho ba kwa Mahalapye ga ba ise ba di bone mme ke di ba lebetse, le fa ke ise ke kgone go nna le nako ya go ka di buisanya le bone. *What are the safeguard measures that have been put in place, post the intervention ya the civic society le botlhe go tswa kwa ntle, le rona re le Mapalamente? Mr Chairperson, go tlhalosega gore kana this application e tlaabo e le an ex parte application. 'Ex parte' e raya gore bone e le Puso ba tlaabo ba tla go sena mongongoregi mo teng, ba ya kwa lekgotlatshekelong go ba raya ba re dira ka tsela e e ntseng jaana le jaana because re bone information e e ntseng jaana. Lekgotlatshekelo le bo le tshwanelwa ke to act on the strength of what they are saying.*

Mr Speaker, there is room to testify the evidence or to test the evidence in this application e e tlaabong e dirwa e le ex parte. Ex parte ke tlhalositse gore go tewa eng Mr Speaker. Go raya gore the Judge will be acting on some degree of faith that will be put on the applicant or the integrity of the applicant.

HONOURABLE MEMBER: Clarification, Honourable Boko.

MR BOKO: Ke a go neela *but* ke kopa o bue botlhale le wena.

ASSISTANT MINISTER FOR PRESIDENTIAL AFFAIRS, GOVERNANCE AND PUBLIC ADMINISTRATION (MR MTHIMKHULU): Clarification. Honourable Boko, as a lawyer, *o dumela gore* the current procedure that was envisaged under this Bill...

HONOURABLE MEMBER: Procedure Mr Speaker.

HONOURABLE MEMBER: O a bo a simolola, heish!

MR BOKO: I hope the time has been frozen Mr Speaker.

MR SPEAKER: The clock is frozen Honourable Boko.

LEADER OF THE HOUSE (MR TSOGWANE): *Procedure.* Ke a leboga. Ba ba reng, “o a bo a simolola,” ke ba ba sa lalang fa, le ba tlhokomologe. *Mr Speaker,* Boko o ntse a neela batho *on condition.* Jaanong ga ke itse gore a *condition* e ya gore “ke a go neela, o bue botlhale,” tota a ke se se amogelesegang mo ditsamaisong tsa Palamente e gore fa o neelwa o bue botlhale? E le gore batho ba, o na le *suspicion* ya gore ga ba botlhale kana jang?

HONOURABLE MEMBER: O a ba kgothatsa.

MR BOKO: Mma ke tswelela *Mr Speaker.* Ke a lemoga gore Motlotlegi Mothusa...

HONOURABLE MEMBER: A mme o feditse motho yo o neng o mo neetse, o mo kopile gore a nne botlhale?

MR BOKO: Ee, tswelela Mthimkhulu.

MR MTHIMKHULU: Ee, *as an attorney Honourable Boko,* o itse ka *the provisions that are in the Criminal Procedure and Evidence Act tsa search and seizure.* Ke batla go go botsa *number one; are those provisions as they stand, not intrusive in the privacy ya individuals? Secondly, those provisions a ga se tsone tse di tshwanang le tse di under this Act like the interception of communication ka fa di beilweng ka teng under the current Bill? A ga di tshwane kana ga di tsamaelane? Let us contrast melao e, gore a ba ne ba le kgakala thata le molao which exist, being the Criminal Procedure and Evidence Act kana e ne e bapile e tshwana fela? Batho ba tsenwe ke tsebetsebe ka gore ba ya go reediwa mo megaleng mme the concept ya the search and seizure without the suspect knowing is still contained in the current laws of Botswana as they stand now.*

MR BOKO: I do not know which provision you are referring to. I have the Criminal Procedure and Evidence Act here with me.

MR MTHIMKHULU: Section 52.

MR BOKO: *Yes, I will go to Section 52 because I have here with me the Act. Ke ise ke ye kwa go yone, ke e bone “search by the police without warrant; if a police officer of the rank of Sergeant, blah-blah-blah.” Go na le pharologanyo honourable ka gore fa batho ba tlaabo ba reeditse and search most of the time e diragala in your presence, o bona gore go diragala eng, go tsewa eng, e bile ga go tsewe eng. E bile o kgona go nna le nako to conceal certain properties jaaka se se tsewang mo go wena kana wa ikgabetsa ka tsela epe. Fa o reediwa o bua, ga go na ka fa o ka ikgabetsang ka teng ka gore o a bo o sa itse gore o reeditse. O a bo o bua o phuthologile, fa gongwe o bua dikgang tse di siameng tse di senang mathata le ba o tlaabong o bua le bone. There is a huge difference between search by police without warrant in terms of Section 52 of the Criminal Procedure and Evidence Act le ya gore o bo o reeditse o bua se o tlaabong o se bua mo megaleng wa gago Honourable Member.*

Mr Speaker, fa ke tswelela, tota kgang ya me nna e ne e le selelo seo gore fa go tla *application* kwa go *Judge,* e dirwa ke ba ba tlaabong ba e dira ene a seyo, o kare mo seemong se ga go a lekana sentle. *Judge* o tlaabo a dirisa *evidence or relying on the degree of faith that has to be put on the applicant le integrity* ya gagwe ya gore mme motho yo o ka se ka a nna maaka kana o ka nna maaka ka tsela e e ntseng jaana. Ke sone se o bonang go tlhokafala gore Puso e batle mongwe yo e leng gore *can come and prove some interrogations in the submissions ya the applicant in this application. I do not know how best we can do it but ke a itse gore go na le mo ba etleng ba go tlhalose ba re, a ‘friend of court’ kana ka SeLatin ba re ke an amicus curiae ka tsela e e ntseng jalo. I think we need some form of an amicus curiae in such applications.* Ke dumela gore Tona o tlaa bona gore go ka diragala. *It might be a costly exercise because we do not know how many times these applications should come before court but to protect the respondent yo o tlaabong a seyo ka nako e go tlaabong gotwe court, re kopa go reetsa megala ya ga Rre Boko, o kare o botlhabetsi mo Pusong.*

HONOURABLE MEMBER: Clarification Honourable Boko.

MR SPEAKER: Thank you very much Honourable Boko, your time is up!

MR BOKO: Thank you Mr Speaker. 20 minutes is up?

MR SPEAKER: Yes, your time is up!

MR REATILE (JWANENG-MABUTSANE): Mr Speaker...

MR SPEAKER: The floor is yours.

MR REATILE: Oh! Thank you my leader.

DR TSHABANG: Procedure Mr Speaker. Sorry Mr Speaker, procedure.

MR SPEAKER: Ba tlhasetswe ke ditlou kwa Nkange?

DR TSHABANG: No.

MR SPEAKER: What is your procedure?

DR TSHABANG: Procedure. Go tsena *one* ya *opposition then two* ya Botswana Democratic Party (BDP), jaanong ke bona o tlhomaganya *opposition* fela mme go ntse go na le motho wa BDP *on the line*.

MR SPEAKER: That is not a point of procedure.

MR REATILE: *Mr Speaker*, mma ke leboqe go bo o mphile sebaka le nna ke tle ke akgele mo molaong o Tona Mmusi a re o beileng pele mo Palamenteng ya gago e e boitshepo e. Ke tshwanetse ke simolole fela ka gore Motswana o tshwanetse a itse gore re letse mo tebelelong mo Ntlong e. Re letse mo tebelelong ya puso ya batho ka batho mo letsatsing le le letseng le phirima la maabane. Re kgaogane masigo a kgaogana, mme kgangkgolo re lala gare jaana e le gore *Honourable* Mmusi, molao mongwe le mongwe o o tlang fa pele ga Palamente, Mopalamente o o leba ka matlho a a mabedi. Leitlho la ntlha ke go leba gore a molao o, ke o o tlaa sireletsang batho ba ba ntlhophileng? Leitlho la bobedi ke le a tshwanetseng a lebe molao o gore a ke o o tsuololang ditshwanelo tsa ba ba ntlhophileng? Fa e kare a o leba, a bona e le o o sireletsang batho ba ba mo tlhophileng, e bile o sireletsa le seriti sa bone, ga o tsuolole ditshwanelo tsa bone, o o ntseng jalo o opela mogolokwane, o a feta.

Ke sone se o boneng molao o o tla *Mr Speaker*. Ke simolole ke re, ga go na ope yo ke dumelang gore e kare e le moagi, e bile e le Motswana, e le Mopalamente, a dumela gore Batswana le Botswana a se ka a sirelediwa ka sengwe le sengwe se se tlhokafalang ka fa semolaong. E bile ke sone se e leng gore Batswana ba ntse ba batla molao o. E rile ba bona o tsenelela o gataka ditshwanelo tsa bone, o bo o di tsuolola, ga nna le selelo se segolo se se utlwetseng kwa Marah. Ke sone se gompiano jaana

Tona a neng a bona a wa dintshi gore selelo sa bana ba Modimo ga se ka ke sa lelwa jaaka se se kileng sa lelwa ke bana ba kwa Marah. Ke sone se gompiano jaana re leng fa ka sone. Kgangkgolo fa *Mr Speaker*, re tshwanetse re itse gore fa o sekaseka se Tona a tlileng ka sone... Gongwe pele fa ke tlaa tswelela ka kgang ya me, ke supe gore re na le *universal declaration of human rights*. MR MANGWEGAPE-HEALY: *Thank you sir.* Nnyaa, jaaka bagolwane bame ba setse ba buile, kana nako e nngwe dikgang tsa gore gongwe go tsosiwa modumo kana go tlhatlharuane, *comes from the way matters are presented.* Jaanong fa re leka go baya dikgang, mme re baya ka go tsosa modumo, ka go tsenana ganong, ka go reng, go tlaa felela e le modumo. *Therefore, VP would be well within his rights to say go ne go tsositswe modumo. Le nna ke ne ke le teng, go ne go tsogile modumo. Le Batswana ba ne ba ngongorega kwa ntle kwa gore go tsogile modumo. Therefore, it is a fact, go ne go tsositswe modumo, that we cannot run away from.*

VP, further to that I will agree with you that by targeting the Presidency, Motswana a re noga e bolawa kwa tlhogong. Jaanong if you want to demean the BDP... (Inaudible)... Therefore, indeed I am not surprised that you are a target of ridicule, a target of humiliation ka gore ba a itse gore when they humiliate you, they humiliate me, when they humiliate His Excellency the President, they humiliate me, when they humiliate the Minister in the Presidency, they humiliate me. Therefore, you are definitely right sir gore that is why you become targets of these things.

Gape bakaulengwe ba rona nako e nngwe o ka ba ela tlhoka. Jaaka o ntse o bona fela ke ntse ke botsa *Honourable Boko* potso, e ne a bo a bona go le botoka gore a mpolelele gore ke tshabile sekole, ke a reng, ke a reng. *Sometimes our orientation, our background, our political orientation, it...*

HONOURABLE MEMBER: Go rata dilo. O bue gore ke go rata dilo mo gongwe.

MR MANGWEGAPE-HEALY: If you come from an organisation that split in violence, in undemocratic principles, *e e leng gore gongwe jaaka re bua jaana e*

na le 10 years e ilhamilwe, mme go ise go bo go nne le congress. The only way that you can know to articulate yourself is in a vulgar manner. I am not surprised VP. Therefore, *nako e nngwe ga re re ba itshwarele* because it is their political orientation. *Ke ka fa ba godisitsweng ka teng ka sepolotiki*. I come from a party that priorities peace and working together. ... (Interruptions)... It was simply a difference of opinion. There was no violence. There was no need to call the police. There was no destruction of property. However, I cannot say the same of how the Botswana National Front (BNF) congress in Palapye in 1998 for instance, or... (Interruptions)... Therefore, we are different. *Rona le bone ga re tshwane*, we are a true reflection of a Motswana *gore ntwakgolo ke ya moloma*. *Bone kana a utlwetse mafoko a ba a dirisang* which are foreign to us; *a bo comrades*. *Ke dilo tsa mafatshe fela a dintwa a a koo*. Committee - **Forthwith.**

ASSEMBLY IN COMMITTEE

(CHAIRPERSON in the Chair)

**CRIMINAL PROCEDURE AND
EVIDENCE (CONTROLLED
INVESTIGATIONS) BILL, 2022 (NO. 1
OF 2022)**

MR CHAIRPERSON (MR SKELEMANI): Order! Order! Honourable Members. The Bill before you has 34 Clauses and a number of amendments have been noticed.

Clause 1 **agreed to.**

MR CHAIRPERSON: There is an amendment noticed at Clause 2.

Clause 2

MINISTER OF DEFENCE, JUSTICE AND SECURITY (MR MMUSI): Thank you Mr Chairperson.

Mr Chairperson, *ke kopa gore ke tlhalose sengwe*, allow me to present the amendment as follows so as to ensure that there is clarity on a noticed amendment as to which amendments are substitutions and which ones are the new insertions. I beg your indulgence to do so at Paragraph 1, 5 and 10.

MR CHAIRPERSON: No Minister! No, our records must come out quite clearly, so you do them arithmetically, one after the other.

MR MMUSI: That is what I am going to do Mr Chairperson, I was just explaining but I will be doing them that way Mr Chairperson.

MR CHAIRPERSON: Proceed Honourable Minister.

MR MMUSI: Thank you Mr Chairperson. The Bill is amended at Clause 2 appearing at page B.3 by substituting for the following definitions, the following new definitions -

We have just made that change Mr Chairperson, that there is a substitution and they are in sessions. We are saying; (a)

“controlled investigation” includes -

- (a) undercover operations;
- (b) covert operations;
- (c) use of informants;
- (d) controlled delivery; and
- (e) interception of communications;”;
- (f) “court” or “the court” means the High Court;”;
- (g) “judicial officer” means a Judge of the High Court;”. And by inserting in the correct alphabetical order, the following new definitions -
- (a) “Chairperson” means a chairperson appointed in terms of paragraph 4 of the Schedule;
- (b) “Committee” means a Committee established under Section 13...

MR CHAIRPERSON: Honourable Minister, you are doing exactly what I am saying you should not do. In terms of today’s Order Paper, immediately after amendment 1 which deals with a, b, c, up to e.

MR MMUSI: It is just because Mr Chairperson, I am trying to explain that Chairperson and Committee which is a, and b, are new definitions. And then a, b, c, d and e, are substitutions.

HONOURABLE MEMBER: Gakere *Honourable Mmusi*, kana o di tswala ka bo *Honourable Minister*, fa gotweng *Minister of Justice*, ke gone fa o emang teng, ga o ka ke wa fetela kwa tlase ga yone. Re bo re fetsa ka yone, fa re tsena kwa go 3...

MR MMUSI: Okay, but I will do what Mr Chairperson wants.

MR CHAIRPERSON: Honourable Minister, maybe it is Parliament which misunderstood you and therefore produce an Order Paper ... (Interruptions)... which you never intended should be put. It should be quite neat for the purpose of the record, if you just went by this Order Paper and read your amendments up to e.

MR MMUSI: I will do that Mr Chairperson, thank you.

The Bill is amended at Clause 2 appearing at page B.3 by substituting for the following definitions, the following new definitions -

- (a) “Chairperson” means a chairperson appointed in terms of paragraph 4 of the Schedule;

- (b) ““Committee” means a Committee established under Section 13;”;

- (c) ““controlled investigation” includes -

- (a) undercover operations;

- (b) covert operations;

- (c) use of informants;

- (d) controlled delivery; and

- (e) interception of communications;”;

- (f) ““court” or “the court” means the High Court;”;

- (g) ““judicial officer” means a Judge of the High Court;”. I so move Mr Chairperson.

MR REATILE (JWANENG-MABUTSANE): *Thank you Mr Chairperson. Mr Chairperson, ke ne ke re mo amendments tsa ga Tona ka fa a sa tswang go di supa ka teng, a tlhalose gore e tle e re fa ke tlhophla le ene, ke bo ke mo tlhalogantse. A tlhalose eo gore why re nna le (a), le (b), re bitsa motho a le mongwefela ka maina a a farologanyeng? I thank you Mr Chairperson.*

MR KAPINGA (OKAVANGO): Thank you Mr Chairperson. I had raised my hand earlier just when we started debating the amendments to ask where the Schedule being referred to *fa go buiwa ka* definition *ya Chairperson, gore se kae* so that we can see paragraph 4 of such Schedule? Thank you Mr Chairperson.

MR CHAIRPERSON: If I can try and answer what the Minister says and I go by the Order Paper, mine indicates that there is an amendment at Clause 34 that introduces a Schedule. If you look at Page 7 of today’s Order Paper at the bottom, it says, “the Bill is amended by inserting immediately after Clause 34 appearing at B.16 the following Schedule.” I am sure the Honourable Minister o *tlaa e tlhatswa fa go tlhokafala*.

MR MMUSI: *Mr Chairperson, ga ke sure gore a Honourable Kapinga o ne a botsa gore Schedule se kae. Se simolola mo page...*

MR CHAIRPERSON: *Fa ke mo utlwa sentle Honourable Minister, o ne a re when you say “Chairperson” means a Chairperson appointed in terms of paragraph 4 of the Schedule, which is that Schedule.*

MR MMUSI: A re a utlwana Mr Chairperson?

MR CHAIRPERSON: Yes sir. I think Honourable Members, as the Minister indicated, there is a typo, the “undercover” should be followed by the word “operation.”

MINISTER OF DEFENCE, JUSTICE AND SECURITY (MR MMUSI): Thank you Mr Chairperson. Mr Chairperson, the Bill is amended at page B.6 by inserting immediately after Clause 6, the following new Clause and renumbering subsequent Clauses accordingly -

“Protection of Privacy in controlled investigations”

MR CHAIRPERSON: Sorry Minister. I called you to make a mistake, we are not dealing with Clause 6 as such, but a decision immediately after Clause 6. So let us dispose of Clause 6 first.

MR MMUSI: Yes sir.

Clause 6 **agreed to**.

MR CHAIRPERSON: Honourable Minister, you can now deal with the insertion after Clause 6.

New Clause

MINISTER OF DEFENCE, JUSTICE AND SECURITY (MR MMUSI): Thank you Mr Chairperson. Mr Chairperson, the Bill is amended at page B.6 by inserting immediately after Clause 6, the following new Clause and renumbering subsequent Clauses accordingly -

“Protection of Privacy in controlled Investigations 7.1”

7. (1) In determining an application for an undercover operation, a court shall consider -

(a) whether what is sought to be achieved by the warrant could reasonably be achieved by other less intrusive means;

(b) whether the level of protection to be applied in relation to any obtaining of information by virtue of the warrant is higher because of the particular sensitivity of that information; and

(c) any other aspects of the public interest in the protection of privacy.

(2) The other considerations by the court under Sub-section (1) may include -

(a) national security interests;

(b) public interest in preventing or detecting serious crime related activity;

(c) whether the conduct is authorised is proportionate; or

(d) any other consideration that the court may consider relevant for purposes of this Act.” I so move Mr Chairperson.

MR CHAIRPERSON: Honourable Members, the question is that the amendment be agreed to.

MR KAPINGA: Thank you very much Mr Chairperson. I would want to request the Minister to explain the meaning of the proposed Clause 7 (1) (b). To me it is a bit mixed up, I do not understand what it is intended to convey. Thank you Mr Chairperson.

MR MMUSI: Thank you Mr Chairperson. 1 (b) “whether the level of protection to be applied in relation to any obtaining of information by virtue of the warrant

is higher,” I believe that and as I have always said, I am not a lawyer, but the way I understand this Clause to be saying is that the level of protection to be applied in relation to any obtaining of information by virtue of the warrant is higher. If obtaining the information, the warrant is higher because of the particular sensitivity of that information and it is because of the sensitivity of that information, so the warrant is higher.

HONOURABLE MEMBER: ‘Higher’ o raya mo go eng foromane?

MR KAPINGA: Nnyaa, *Chairperson* o tlaa re thusa, e neele *Attorney General*, ga ke tlhaloganye.

HONOURABLE MEMBERS: ...(Laughter!)

MR MMUSI: Ke ne ke tsaya gore ba raya gore *level of protection* ke yone e e kwa godimo fa re bua Setswana. Legale jaaka ke bua ga ke agente, ga ke ise ke ko ke tsene mo *court*, ke ithutela fela mo *Ministry* o wa *Defence*, ke ithuta molao gone fa.

HONOURABLE MEMBER: Ke ka go supela, ga o ise a bo o seke kana.

MR CHAIRPERSON: *Le batla go ntsenya mo thaelong.* I have already asked Legal Counsel whether the new proposed Clause 7 (1) (b) in determining an application for an undercover operation, a court shall consider - (a) whether the level of protection to be applied in relation to any obtaining of information by virtue of the warrant is higher because of the particular sensitivity of that information. I thought when I read it, it meant that when you make your application to the courts, the courts may actually refuse your application if in the view of the courts, there is no need for you to be asking for that warrant because the sensitivity of the information you require, you obtained without that warrant, so they can refuse.

Amendment agreed to.

New Clause agreed to.

Clause 7

MR SALESHANDO (MAUN WEST): *Thank you Mr Chairperson. On Clause 7, nte ke e tlhalose pele, e leka go dira dilo tse pedi, kwa 7.1 gore undercover operations di ka diriwa ke two or more investigatory authorities. That is the first one.*

Then kwa number two, e letlelela gore these investigatory authorities di ka dira di tshwaraganetse an operation e e leng gore it involves a non-security agency. That is

where I understand it. E bo e re gore go diriwe jalo, go tshwanetse go kopiwe tetla kwa go Tona ka gore go tlaabo go tsena ba ba senang dithata tsa to investigate. Kana golo fa re rile re batla to introduce judicial oversight jaaka re ntse re dira gore dilo tse dingwe di nne di lebelelwa ke makgotla ka gore ga se tse di neng di solofetswe ke molao, a di a letlelesega. Jaanong kwa 7.2 ya re Minister ke ene a tlaa fang tetla yone eo.

Ke kopa go fetola *Clause* yone e gore go e letlelela to operate go tsewe tetla kwa lekgotleng. Tota ke yone kopo ya me *Mr Chairperson*, I move that the Bill be amended at Clause 7 (2) on Page B.6 by substituting the word ‘Minister’ with the word ‘court’. I move accordingly.

MR CHAIRPERSON: Honourable Members, I think the proposed amendment is simple enough for us not to worry about the Standing Orders which require that the Honourable Member should submit a written proposal. All he wants is that he substitutes for ‘Minister’ with ‘court’.

HONOURABLE MEMBER: Procedure.

MR REATILE (JWANENG-MABUTSANE): *Thank you Mr Chairperson. Mr Chairperson, ke dumela gore Tshutiso ya ga Honourable Saleshando e maleba ka mabaka a gore Tona o dirile amendments tse a tlleng ka tsone, tse ke dumelang gore ke dumalana le tsone. O mo lepotlapotleng ka nako e khutshwane, as he noticed molao o, a o tlisitse under certificate of urgency. Fa a ne a na le nako, ke dikgang tse a ka bong a lebeletse (reflected on) mo go tsone. A go nne gone jalo Minister gore o tsene kwa dilong tse o begang, tse tsa operations o seyo mo go tsone since o le lepolotiki motlotlegi. I submit Mr Chairperson.*

MR CHAIRPERSON: Honourable Morwaeng, your procedure.

...Silence...

MR CHAIRPERSON: Honourable Morwaeng, a re feteng.

MR RAMOGAPI (PALAPYE): *Mr Chairperson,* ke ema nokeng Tshutiso e e dirwang ke Leader of the Opposition (LOO) ka mabaka a gore *the intention of the piece of legislation* e re akanyang go e dira, ke gore go iwe kwa makgotleng a ditsheko jaaka *Minister* a buile. Ke tsaya gore *it was an error* fela e e ka baakangwang. Gongwe re ka neela Tona go bona gore kgakololo e a e neelwang e, o e bona e ntse jang. Ke tsaya gore ga e na bana ba phefo *Mr Chairperson*. Re e baakanye ka gore ke ene a re tletseng gore go tsenngwe Kgotla, jaanong go bo go diragala phoso go tsenngwa *Minister*. *I therefore support Honourable LOO.*

MR CHAIRPERSON: Honourable Members, before...

HONOURABLE MEMBER: My hand is up Mr Chairperson.

MR CHAIRPERSON: Yes, I saw your hand Vice President (VP) but I want you for something else. I am looking at my clock and it says now it is about 19 minutes to 12. I had thought by now we will get a fair indication of whether we are likely to finish this Bill by 12:30; I have great doubts. The reason I want you Leader of the House, is to try and take steps that will ensure that we finish with this Bill today.

BUSINESS MOTION

LEADER OF THE HOUSE (MR TSOGWANE): Thank you Mr Speaker. In the interest of what you are saying and in the interest of having to conclude this Bill today, Mr Speaker, if you allow, I will move in terms of Standing Order 27 (1) (c), which I would like to invoke to extend today's business by at least three hours. I thank you Mr Speaker.

MR CHAIRPERSON: Order! Order! Honourable Members...

HONOURABLE MEMBER: *Dira* four hours.

MR CHAIRPERSON: ...(Laughter!)... the question is that...

HONOURABLE MEMBER: Wa re *four*, kana...

MR CHAIRPERSON: ...the Motion be agreed to.

HONOURABLE MEMBER: Ee, ka rialo.

MR TSOGWANE: No, I am amenable to four hours Mr Speaker because it does not do any harm if we finish within an hour or so.

HONOURABLE MEMBER: Then why do we not adjourn for lunch and reconvene at 2:00 p.m.?

HONOURABLE MEMBER: Nako ya *lunch* ga e ise e tšhaye.

HONOURABLE MEMBER: Kana le etla le robala go ntse go tseletswe, *that is why* le sa lape.

HONOURABLE MEMBER: *Mr Speaker* o santse a bua, hei!

HONOURABLE MEMBER: O raya LOO jalo?

MR CHAIRPERSON: You know what Honourable Members, to avoid the...(Inaudible)... of hours, His Honour may want to consider whether his Motion should not really be to extend the sitting of the House today until all the stages of this Bill are done, so that we have lunch in between. It is really internal management.

HONOURABLE MEMBER: O e tshwere *Mr Speaker*, re fa go tla go bereka.

MR TSOGWANE: O e tshwere sentle *Mr Speaker* le fa Standing Order sone se sa letle gore *Motion* wa me o baakangwe ka *Clause* e e mo Standing Order seo. *I thank you Mr Speaker.*

HONOURABLE MEMBERS: ...(Murmurs)...

MR CHAIRPERSON: That is okay VP; that is okay Leader of the House. The question Honourable Members is that we extend the sitting of this House until you have disposed of all the stages of the present Bill.

Question put and **agreed to.**

MR CHAIRPERSON: What we want to do Honourable Saleshando, because we normally on Friday adjourn at 12:30 p.m., will be to adjust and ask the Clerk to provide you with lunch so that we can move a little closer to 1:00 and then adjourn for that lunch if need be, come back at 2:00 p.m. and finish up.

MR SALESHANDO: That is fine sir.

MR CHAIRPERSON: Ee rra.

MR TSOGWANE: Ke a dumela mme go na le bothatanyana, ke ka feta ka jone?

MR CHAIRPERSON: Ee rra.

MR TSOGWANE: Ke kwa Orapa, ga ke itse gore ke tllile *to access lunch* jang, kana ke ka tsaya *receipt* fela ka tla ka e supa ka Mosupologo?

MR CHAIRPERSON: VP, go and see the General Manager *o re Speaker a re o fiwe lunch. E tlaa re fa ke ya morakeng ke tlaa tla ke mo duela.*

Honourable Members, there is an amendment moved by Honourable Saleshando concerning the word “Minister” and he wants that to be deleted and insert the word “court.” Now, Honourable Mmusi...

HONOURABLE MEMBER: My hand was up Mr Chairperson.

MR CHAIRPERSON: Indeed, Honourable Leader of the House.

HIS HONOUR THE VICE PRESIDENT (MR TSOGWANE): Nnyaa, ke gore *Minister* le ene go raya gore o nnile bonyanyana, nkabo re sa mo tsena ganong. Ke ne ke re ke utlwa *amendment*, mme ga ke batle go e ema nokeng kana go sa e ema nokeng go fitlhelela *Minister*, tota *my intention was* gore *Minister* a ...*(Inaudible)*...ka gore ke tsaya ke re e ne e se phoso jaaka bangwe ba tsaya gore ke phoso, fa a ne a tsenya gore *Minister* a dire. E bile Rre Reatile o kile a supa kgantele a re gone ga *warrants* tsa gore nako le nako *even* ka nako e khutshwane go iwa kwa *court*, gongwe go nne le *window* ya *24 hours*, mme gongwe gone moo, bofefo jo re bo tlhokang fa, *courts* kana le tsone ga se gore re tlaa nna re fitlhela di sena tiro nako le nako. MINISTER OF DEFENCE, JUSTICE AND SECURITY (MR MMUSI): Mr Chairperson, *kana tota kang e ya joint undercover operations*, the reason why *gotwe* Minister *ke ene a* authorise, *ke gore kana* let us say *mapodise le masole* go into a joint operation, *a jaanong ga re ka ke ra re ba ye kwa court*, Minister *ke ene a ba okametseng*, that is why Clause *e re* Minister *ke ene a* authorise, in the very simple term, that is how it is sir.

HONOURABLE MEMBER: Elucidation.

MR MMUSI: It is a governance structure *e e teng*.

HONOURABLE MEMBER: E ya re *non-law enforcement*.

MR SALESHANDO: Tlhaloso e ke neng ke batla go e fa *Minister* ke gore, 7.1, e bua gore *an undercover operation can be conducted jointly* ke mekgatlho e le mebedi kana go feta e e leng gore ke *investigatory*

MR MMUSI: E tlaabo e le gore ke bodirelapuso *like Ministry wa Agriculture* kana wa eng jalo. Kana ke go boletsetse jalo *sir*.

MR SALESHANDO: Jaanong ke sone se re reng gone foo *because* se se tlaabong se diragala ke gore *a non-law enforcement entity*, lekgotla le le sa direlwang go dira ditlhotlhomiso, ra re le lone le nne *part of a special operation*. Ke gone fela foo fa re reng go iwe *court* teng ka gore ga se selo se se diragalang kgapetsakgapetsa. Ke selo se re tsayang gore se diragala *once in a blue moon*. MR MMUSI: Nnyaa, ke raya gore tota kana maphata a, re tlaabo re dirisa maphata a Puso, go na le *resources* tsa Puso tse *Minister* a di okametseng, tse di tlaabong di dirisiwa mo *operations*, so, ga re ka ke ra ya kwa *court* go ya go kopa gore go kopiwe *resources* tsa Puso. *Minister* ke ene a okametseng lephata le, mme fa e le gore re ya go tsaya Lephata la *Agriculture* le tla go bereka le lone mo *project*, e tlaabo e le gore go akantswe gore *Minister* ke ene a ka *authorise*, e seng *court*.

HONOURABLE MEMBER: So, a re ka tsenya gore golo fa re raya e le lephata le lengwe la Puso?

MR MMUSI: *Ee*, maybe as...

HONOURABLE MEMBER: Honourable Chair...

MR CHAIRPERSON: Honourable Members, as the ...*(Inaudible)*... stands, where it refers to “non-law enforcement entity”, it could be any entity, it does not have to be a Government Department. *Ke ne ke re* Minister *fa gongwe a utlwe* what the argument is.

MR RAMOGAPI: *Mr Chairperson*, ke ne ke re kana ka fa go ntseng ka teng, re leka go thusa *Minister* mme kana le ene o na le lephata. Fa e le gore *it is for that purpose, then I would understand, but even then language* ya teng *will have to be re-crafted, to remove parts that they suggest* gore *an undercover operation will have already undertaken. It must be couched to show that it is a proposed undertaking, not one already undertaken. That is, if it is for procurement processes. Otherwise, those are my respectful submissions Mr Chairperson* gore, *the two Clauses are mutually destructive of each other and I think we must yield to Clause 5 (3) (b), it should take precedence*.

HONOURABLE MEMBER: Fa a santse a letlelela nako foo...

MR CHAIRPERSON: His time is up!

MR REATILE: *Mr Chairperson*, ke ne ke dumela gore *if we can polish Clause 7 (2), maybe* fa go 'entity' ra tsenya 'department' or 'personnel' ga ke itse, e tlaabo e kgona go dumela ka gore fa re ya kwa go 5 (3) (c) (ii) *Honourable Kgafela*, fa e bua ka *use of informants*, ke dumela gore jaanong re tlaabo re lekile go ya to *cover it* gone fale, re dumela gore *the informants*, ga se batho

ba e leng gore ke ba *law enforcement*. Jaanong fa re lekile *to broaden it* jaaka a dumela gore e tlaabo e le tsa maphata. Ke dumela gore fa re bua ka *law enforcement entity*, go na le batho ba re santseng re ka ya go ba tsaya e le babegadikgang, e bo e le gore re itse gore ba ya kwa *world cup*, mme go na le tsa ba di etseng. Ba tsamaya ka *tag* eo ya bone ya bo *media*, mme e le gore lekgotla *has authorised them* gore ba ye go tswaledisa *mission*, e re nako ya *world cup* e boa kana *whatever mission* o ba tlaabong ba o etse, e bo e le gore jaanong *we have collected enough data* e e leng gore *surveillance* ya rona e berekile. Jaanong fa re boa *and confine ourselves* gore ke bodirelapuso fela, e-e, go raya gore ga re itse, re tlhoafalele go lwantsha bokebekwa jo bo tlhasetseng lefatshe *Honourable Mmusi*. *I thank you*.

MINISTER OF DEFENCE, JUSTICE AND SECURITY (MR MMUSI): On a point of clarification. *Kana tota fa re bua gore* Minister will be authorising the undercover operation, but *go ya go kopa* warrant, *e ya go kopiwa* operation *e nse e simologile*. *Kana* the reason why the Minister authorises the undercover operation *ke gore*, the resources *di tswa mo go ene tse di yang go dirisiwa*. So he is accountable at all times.

HONOURABLE MEMBER: Ga di tswa mo go wena *Minister*, ga di tswa mo go wena.

HONOURABLE MEMBER: O a e tlhakatlhakanya jaanong Mohurutshe.

HONOURABLE MEMBER: O a e tlhakatlhakanya. Ga di tswa mo go wena.

MR MMUSI: Gongwe re ne re ka e beela fa thoko, re tlaa tla re e boela kwa morago. *So that I consult*.

HONOURABLE MEMBER: Fa re feta re fetile Kgabo.

MR KAPINGA (OKAVANGO): Mr Chairperson, I will be very brief. I think Honourable Kgafela has finished the argument *gore*, all people that engage in an operation are stipulated in the warrant, *jaaka a nopotse* 5 (3) (b). So all the persons that get involved in an undercover operation are stipulated in a warrant issued by the court. So *ga go na* Minister *fa a tsenang teng* Mr Chairperson. Thank you.

MR TSOGWANE: Ke a utlwa *Mr Chairperson* le *argument* ya ga Rre Kgafela. *Kana we must weigh his argument against what the Minister is saying* gore, kana fa o tla o kopa *warrant*, e a bo e le legato le lengwe, le go

tlileng go tswelwa ka ditlhotlhomiso. *The warrant is for a specific purpose*, mme go ka tswelwa gongwe ka tsela e a batlang go tlhotlhomisa ka yone, mme a batla bangwe gore ba bo ba le teng, mo teng, pele ga *warrant* e kopiwa ya gore jaanong go ye go reediwa, go ye *to intercept*. Jaanong gone foo ke bona e le gore *Minister* a fiwe sebaka, a e akanye sentle, ka gore *he is right*. Gongwe fa re ka e tsaya ka semolao gore *warrant has already prescribed* batho, *it is not always the case*, jaaka a bua a re fa re tla re goroga fa *warrant* e tlhokafalang teng, re a bo re ntse re tswetse ka ditlhotlhomiso dingwe tse di rileng. *We must be careful of what we are doing, otherwise* re ya go ipofa diatla, e bo e le gore fa gongwe re ne re tshwanetse gore re thusiwe ke bangwe ka ditlhotlhomiso *before the warrant is required, because there is a point where you will require a warrant*. *I thank you Mr Chairperson*.

MR MMUSI: *Mr Chairperson*, ke dumalana le *His Honour* fa o ntetla mongwame, ka gore golo mo *as I say*, kana *investigations* tse, ga se tsa fa o utswile dipodi tsa motho kana eng. *These are very detailed and entailed investigations*, tse di buiwang fano. Jaanong go tlaa simolola go nna le ditiro tse dingwe kwa tlase, mme letsatsi le go tlaabong go nna le gore go iwe *to deploy* motho a direlwe bo Omang, kana go simolola go reetsa mo *phone* ya gagwe, ke gone fa go yang go kopiwa. Motho yoo o a bo a sa bolo go nna a salwa morago, bangwe *tipped*, ba simolola *to build a case, which they are going to take to court to go and ask for the warrant*. *I thank you Mr Chairperson*.

MR CHAIRPERSON: The question Minister was, your understanding of Clause 7 (2), is it that, that Clause applies before a warrant under Clause 5 is sought?

MR MMUSI: That is my understanding Mr Chairperson. You are very right.

MR CHAIRPERSON: Honourable Kgafela was then saying, if that is the understanding, you need probably to tinker with 7 (2) to pin that out. Of course the moot question is *gone fa e le gore bana ba gago ba ba tlaabong ba nkgankga* around *ba batla* involvement of other people, why would they have to come to you?...*(Inaudible)...e tsamaelwa mo ke ma*Criminal Investigation Department (CID), *ke eng, ba bona o kare mathakanyana a o kare ga ba a re ema sentle, mma re bue le mothakanyana wa rona re nwa mmogo* shake-shake *ka weekends, re utlwe gore ene o bona eng ka koo*. You are going into operations.

HONOURABLE MEMBER: ... (Laughter!)

HONOURABLE MEMBER: *Minister*, o batla go nna leDIS.

MR CHAIRPERSON: ... (Laughter!)... *Nnyaa* Honourable Members, try to see how the Honourable Minister is... (Inaudible)... *ene o akanya ka nako e e leng gore ga go ise go iwe kwa court go ya go batla warrant.* Let us debate this Clause with that understanding *go bona gore a mme* has it covered the Minister clearly, is there anything that should be done to bring that out clearly because the Minister is just clear *gore o akanya gore Clause e bo e le ka nako efe.*

MR SALESHANDO: But can they do that Mr Chairperson, undertake a joint undercover operation because that is what Clause 7 is talking about, undertaking a joint undercover operation with non-investigatory bodies? Can they do that before they get the warrant, because if they do that before they get the warrant, then they are violating Clause 5, which says you cannot do that before you get a warrant?

MR CHAIRPERSON: If you understand what the Minister is thinking of, and reflect on what Honourable Kgafela was then proposing *gore gongwe*, bearing in mind what the Minister wants, is it possible to re-couch 7 (ii) to cover the Minister? If in fact it is not possible because there is another provision, we should bar you from doing that, then we should debate that part.

MR KAPINGA: *Kana tota* Minister does not have any role to play in operational investigations. He just wants *go ipulela phathanyana ya go tsenya letsogo* but he does not have any role. The role he is contemplating is the responsibility of the Commissioner of Police and not him. When it comes to undercover operations, we have agreed that those shall be authorised by the court. *Ene* as a politician, he has no role to play in the investigations. *Ga a tshwanela gore a itshukunyetse mo teng* when he does not have any legal role to play. *A re phimoleng fela* this provision *re sale ka 5, ga a na role e a e tshamekang* Mr Chairperson.

MR MMUSI: *Mr Chairperson*, ga ke dumalane le Honourable Kapinga.

HONOURABLE MEMBERS: ... (Murmurs)...

MR TSHERE: *Procedure. Thank you Mr Chairperson.* Ke ne ke tlhologanya Honourable Kgafela le Honourable Kapinga gore kana dithata tse di tsewa kwa lekgotleng. Jaanong gore di tsewe kwa lekgotleng jaana,

kana batho bao ba tshwanetse ba tle ba fe bosupi gape kwa lekgotleng ba ba neng ba ile *covert operation*. Ke ipotsa gore *Minister* fa a batla go itsenya mo teng, a le ene fa a tswa fa o ya go fa bosupi ka *covert operation* eo ka gore o tsentse batho foo ba e leng gore ga ba mo lekgotleng? Ke dumalana fela gore *it is irrelevant* yone Clause e *Mr Chairperson*. *I think we should move ahead and delete it. Thank you.*

MR CHAIRPERSON: Honourable Tshere, there was nothing procedural about what you were saying, our procedures are quite right.

MR MMUSI: *Mr Chairperson*, ke dumela gore jaaka ke bua, *Minister oversees and he is responsible and that is why he has to account* le fa go santse go tsenwa mo teng mo. *Do not look at me as the politician, look at me as an executive of the Government. I think that is the difference where* Kapinga a tsietsegang teng. Ene fa a nteba o lebeletse Domkrag, *no, lebelela gore I am an executive of the Government and therefore, I am accountable.*

MR RAMOGAPI: *Mr Chairperson*, ke ne ke re ke leke go thusa gore nna ka fa ke tlhologanyang Honourable Mmusi ka teng, le ka fa ke balang Clause e ka teng, ke bona o kare go raya gore tota yone ga e a kwalega sentle ka gore tota *warrant* e tsewa kwa court. Jaanong se Honourable Mmusi a neng a se batla ke gore *before warrant* e ntshiwa, go raya gore fa a batla *to engage another person* yo e leng gore *he is non-enforcement person*, e bo e le gore jaanong o kgona go mo tsenya mo teng. MR MMUSI: Ke dumalana le wena foo Ramogapi, eo ya gago ke a e endorse.

MR RAMOGAPI: Ee. E ne e tshwanetse gore e wele jalo ka fa ke e utlwang ka teng ka gore ene o lebeletse gore *budget and everything* ... (Interruptions)... jaanong go raya gore e bo e le gore *Minister*...

HONOURABLE MEMBER: But he is not the Accounting Officer.

HONOURABLE MEMBER: Yes, Accounting Officer *ke* Permanent Secretary (PS).

MR CHAIRPERSON: *I thought that question to us is ...**(Interruptions)*... *now* fa ba batla gore ba ba nkgankgang ba bue le *Minister* gore *hey*, kana ...*(Interruptions)*... re ka dira jaana kana jaana, ke eng se se kganelang gore ba dire jalo?

HONOURABLE MEMBER: The buck stops with the Minister.

MR CHAIRPERSON: Ke eng se se mo kganelang gone jaana gore a bue le bana ba gagwe gore mo *case* e le reng e ka re e teng, ke eng le sa tseye bosemangmang le bosemangmang? Ke eng se se mo kganelang?

HONOURABLE MEMBER: Le mo forola eng?

MR REATILE: Ke ne ke re kana *Mr Chairperson, the Minister* o setse a tlisitse fa a supa gore gongwe o setse a lebetse gore o ne a reng. MR MMUSI: Nnyaa rra, ga ke tswalele mongwe le mongwe kwa ntle. Ke ne ke go fa *an example*. Ke batla go boa gape ke go araba gore kana tota *Minister* gompiono ke ene a emeng mo Palamenteng. Ke leka go e akanya *along those lines* gore mme ene Tona o tlaabo a sireleditswe ke eng *to authorize* batho bao?

MR CHAIRPERSON: Honourable Members, I thought Honourable Mmusi *o le utlwile*. Maybe what you should do is to give him a little time to consult *bana ba gagwe* and we deal with the other Clauses. We will come back to it. The Standing Orders allows that, *gore ka fa thoko ka fa a ko a ba kope gore fa ba ne ba reeditse le bone, a ga ba ka ke ba thusa* probably to put into a draft form the Minister's thinking *gore fa a tla a bo a re nnyaa, kana fa ke ntse ke bua jaana ke ne ke raya gore gongwe Clause e e ka bewa jaana ka gore se ke se batlang nna ke se, le se, le se. Re mo feng nako, o le utlwile*. The way you have been arguing, it does not show that we are going to be too progressive. Honourable Mmusi, probably take advantage of that.

MR MMUSI: Raya Honourable Saleshando a *withdraw* Mr Chairperson, re fete ka molao.

MR CHAIRPERSON: Nnyaa.

MR SALESHANDO: *Ga go thuse* to withdraw. You will still have a problem between this Section le Clause 5.

MR CHAIRPERSON: That is why Honourable Minister I want you and your officers to reflect.

MR MMUSI: Okay, Mr Chairperson, we will do that.

MR CHAIRPERSON: So that we can now proceed with Clause 8.

Clause 8

MINISTER OF DEFENCE, JUSTICE AND SECURITY (MR MMUSI): The Bill is amended at Clause 8 appearing at page B.6 by substituting for Sub-clause (2), the following new sub-clauses

“(2) An assumed identity application under Sub-section (1) shall -

- (a) be an ex parte application;
- (b) be in a sealed envelope marked classified; and
- (c) contain -
 - (i) the name of the applicant,
 - (ii) where the application is not made by the applicant, the name of the person to be authorised to acquire an assumed identity,
 - (iii) if the authorised person is not a law enforcement officer, the name and position of an investigating officer to be appointed as a supervisor of the authorised person during an undercover operation,
 - (iv) the reason for the assumed identity,
 - (v) details of the investigation or intelligence gathering exercise in respect of which the assumed identity will be used, and
 - (vi) details of the investigatory authority and the type of evidence to be gathered.
- (3) The Registrar shall when presented with an application under Subsection (1) for registration, inform the Chief Justice or any person for the time being acting in the Chief Justice's stead, of this fact before allocation, to enable the Chief Justice to determine which Judge should be nominated by the Chief Justice in terms of Section 6 of the High Court Act.
- (4) If, in proceedings before a court, the identity of a person in respect of whom an authority is, or was in force, is in issue or may be disclosed, the court shall unless it considers that the interests of public otherwise require -
 - (a) ensure that such parts of the proceedings as relate to the identity of the person are held in private; and
 - (b) make such orders as to the suppression of evidence given before it as will ensure that the identity of the person is not disclosed.
- (5) The court may, for purposes of Subsection (1) -
 - (a) allow a person in respect of whom an authority is, or was in force, to appear before it under the assumed name or under a code name or code number; and

(b) make orders prohibiting the publication of any information, including information derived from evidence given before it, that identifies, or might facilitate the identification of any person who has been, or is proposed to be, called to give evidence.”

Thank you Mr Chairperson. Mr Chairperson, I beg to amend the word “private” appearing in Sub-clause 4 with the word “camera.” I so move Mr Speaker.

MR SALESHANDO (MAUN WEST): *Mr Chairperson*, gongwe e tlaa re Tona a kopa ditlhaloso ka e re neng re tswa mo go yone, le e a e tsenye. Ke na le mathata fela le fa ke se motho wa semolao le fa re ya go tsena fa go (3), fa gotweng, “*The Registrar shall when presented with an application under Subsection (1) for registration*”.

Ke eng le batla gore e nne yo o supilweng ka monwana?

MR CHAIRPERSON: Honourable Ambassador Kapinga.

MR KAPINGA (OKAVANGO): Thank you very much Mr Chairperson. Honourable Leader of the Opposition has said most of what I would wanted to say. *Se ke ka se tlatsang fela ke gore*, I would agree with this provision *fa e ka bo e le gore* High Court is divided into divisions, *e bo* these applications are taken and sent to a criminal division of the High Court instead of being handled *ke* every Judge of the High Court. But now in the situation where we are, where any Judge can handle any matter, it is inappropriate *gore go bo gotwe* Chief Justice *e nne ene a itlhophelang gore ke mang yo o ka reetsang kgang ya*

MR RAMOGAPI (PALAPYE): Ke a leboga *Mr Chairperson*, tota ...*(Inaudible)*... re bua selo sele sengwe fela. Ke tsaya gore gongwe go ka tswa go bakilwe ke gore gongwe e rile fa ba kwala molao, ba bo ba lebeletse kgang ya bogologolo ya gore *Chief Justice* o ka kgona go itlhophela gore go reetse mang. DR DOW (SPECIALLY ELECTED): Ke ntse ke reeditse dikakgelo tse di buang ka *responsibility*... (*Inaudible*)...

MR CHAIRPERSON: Honourable Dr Dow!

HONOURABLE MEMBER: O a bua mme ga re mo utlwe.

DR DOW: Ga le nkutlwe?

HONOURABLE MEMBER: Ga re go utlwe *madam*.

HONOURABLE MEMBER: You are too distant.

DR DOW: Let me try again. Thank you Mr Chairperson, *ke ntse reeditse bakaulengwe ba bua kgang e*, and I note their concerns. We should balance those concerns against another concern *gore*, *kana* these are sealed applications, and therefore if you are going to allow the registration and the handling to be by the Registrar, the registry, you are actually opening the application to too many hands before it actually comes before the Judge. *Ke gore gakere ke tsa sephiri* on the other hand, and therefore you have to limit the number of hands that handled it before there is actually hearing. You do not want to assign it to the Judge, and then they recuses themselves because *a re* maybe there is a conflict, *o bo o isa kwa go yo mongwe jalojalo*. *Ke a utlwa, le nna e rile fa ke e bona la ntlha e ne ya ntlhaba ke bo ke re*, but there has to be a system *e e leng gore* Chief Justice actually manages to make sure *gore* this becomes a secret as possible, *a bo a tlhophha Judge a itse gore fa e ya go reediwa* it is internal...

HONOURABLE MEMBER: Ga re utlwe, o e tle o kope gore batho ba atumele *microphone*.

HONOURABLE MEMBER: Ga a utlwale gotlhelele.

DR DOW: Ga ke utlwale gotlhelele?

HONOURABLE MEMBER: Ke mo utlwile, ke ka bua gore a reng.

HONOURABLE MEMBER: Le nna ke mo utlwile, ke ka boelesa se a se buang.

HONOURABLE MEMBER: O a utlwala Mma Dow, o a utlwala...

HONOURABLE MEMBER: Le a tlhodia, le tlhodia motho.

HONOURABLE MEMBER: Ga o utlwale.

HONOURABLE MEMBER: Tlhe bathong didimalang re utlweng.

DR DOW: *Le gompieno jaana* it is possible that I can make an application to court *gore* the identity of maybe my client be suppressed. That application cannot go directly to the registry, because I will be opening up *se ke reng ke sephiri*. I have to make a special application to the Chief Justice or by system *e e leng gore* I am asking *gore* maybe this child should be named as X, or A, or B. I cannot register that application in the normal registration process, because I will be actually undermining the very purpose that I say I want suppression of identity. I wanted to balance these two concerns. Thank you Mr Chairperson.

MR CHAIRPERSON: Thank you Dr Dow. Honourable Mmusi.

MR MMUSI: *Thank you Mr Chairperson*. Mma Dow o ntsetse mafoko a ke neng ke re ke ya go a bua.

MR MMUSI: Ke teng gakere.

HONOURABLE MEMBER: Mma ke go botse.

HONOURABLE MEMBER: O feditse gakere.

MR CHAIRPERSON: *Honourable* Keorapetse.

HONOURABLE MEMBER: Ke ne ke re ke go botse gore gatwe...

MR KEORAPETSE (SELEBI PHIKWE WEST): Ke filwe *floor* ema pele, o botsa eng?

HONOURABLE MEMBER: Oh! Sorry.

MR KEORAPETSE: Oh! *Ke* Honourable Kapinga.

HONOURABLE MEMBER: Nnyaa tswelela *comrade*.

MR KEORAPETSE: Ke ne ke tsaya gore gongwe Mthinkhulu, *sorry*.

MR CHAIRPERSON: O rata dilo waitse.

HONOURABLE MEMBER: ...(Laughter!)

MR KEORAPETSE: Rra?

MR CHAIRPERSON: O rata dilo.

MR KEORAPETSE: Mr Chairperson, what the Minister seeks to do *ka go dira jaana* is to legitimise forum shopping. That is the import of this provision, so *rona ga re dumalane le* forum shopping. Law Society has complained *ka case e ba reng* Chief Justice (CJ) forum shopped Justice Gabanagae in a matter *ya ga* President Dr Ian Khama. We know CJ is appointed by the President, and is appointed differently from how other Judges are appointed because *ene*, the President

does not have to take advice from the Judicial Service Commission (JSC). To cure the fear *ya gore* information may leak, let us innovate on Case Management System (CMS) of ex parte applications of this nature. That is how we can cure this issue *ya worry ya gore jaanong* information can leak. *Ga ke itse gore fa o bua ka Registrar, motho wa level ya PS, o bo o re go raya gore* information will be on too many hands. If that is the case, you do not have to reveal *gore* this ex parte application *e batla* to place Honourable Keorapetse under digital surveillance. All you need to do is to enter the case number into the CMS, then it picks a Judge. When it picks the Judge, what appears before that Judge, *e nna* an ex parte application *ya gore* so and so must be placed under digital surveillance because is suspected of being a terrorist. *Ga re ka ke ra tsaya* a political appointee.

Gape Honourable Yandani Boko, *kana* these purports to be in line with Section 6 *ya* High Court Act, *e e leng gore* currently *le yone* is under legal scrutiny *ya gore a mme totatota gone* does it give the CJ, even the power to empanel because we have argued about empanelment *gore* that thing is a bad system because it involves a human being. Where a human being is involved in cases *tse di ntseng jaana, re bone ka* applications *tse e leng gore* CMS having picked a Judge and then the CJ decides to empanel and when he empanel, most of the time *o fitlhela e le gore* decisions *tsa* empanelment *di a belaetsa*. So *le yone* Section 6 *e*, it must be scrutinised because many lawyers do not actually believe *gore* it gives the CJ unfettered powers to empanel, there is still that argument. So *ke* forum shopping, *ga re e batle*, it must be stopped.

MR KEKGONEGILE (MAUN EAST): Tanki *Mr Chairperson*. Nte re dumedise batlotlegi, re dumedise setšhaba. Go a tualo gatwe *prevention is better than cure*. Golo fa re na le bothata *jwa forum shopping* mo lefatsheng la rona *and we know* *gore Judiciary is our last resort when it comes to* *gore go nne le transparency* le go tshela sentle mo lefatsheng la Botswana. *If the last resort, bone ba bofelo ba re beileng mo go bone e bong Judiciary, we allow it to be corrupted in one way or the other, then we are running into trouble as a country*. Go tlaabo go setse ntwā fela jaanong ka gore puisanyo le molao di tlaabo di padile.

Ke utlwa bakaulengwe fa ba bua ka sephiri le go sireletsa mme go sireletsa le sephiri sa *application, can still happen* go ntse go feta fela ka *Registrar*, go sa tlhamalale go ya kwa CJ. Go ka nna le *processes* tse pedi, *e e normal* fela le e e seng *normal ya applications* tse di ntseng jaana.

So ke dumela gore *element of shared confidentiality within each and every profession* e nna teng gongwe le gongwe. Ga o ka ke wa tshwara sephiri o le nosi sa tiro e e kanakana, go bo gotwe tiro e ka tsamaya sentle. Ga go ka ke ga kgonagala e bile ga go ka ke ga diragala mo botshelong. *Let us have shared confidentiality, let us have a different process, let the Registrar be the person not the CJ. Tanki Mr Chairperson.*

DR GOBOTSWANG (SEFHARE-RAMOKGONAMI): *Honourable Mmusi, o se ka wa tshwenyega wa tsaya gore molao o kana re a le kgopakgopetsa. O tshwanetse o akanye gore molao o fa o o dira, o o direle Robert Mugabe yo o ka tlang mo Botswana gongwe dingwaga tse di tlang, o se ka wa o baya fela gore ke wena le ba o nang le bone gompiano. Fa o ka dira jalo, kana lona fa le itibile jaana le bona le le baengele, le fa rona re le bona le le batho ba sele. Ga ke batle gore bo saatane ka gore mo Palamenteng ga go letlelesege mme lona le ipona le le baengele, direla molao o bo saatane ba ba ka busang ka gore fa o ka se ke wa dira jalo, o tlaa nna le mathata.*

MR MMUSI: *Clarification. Ke ne ke re kana molao o ga se o montsha o ke o tlisang, fa o tsaya Order 42 of the rules e bua ka gore le nna molao o ke ne ke botsa... Ke boditse thata, ka batlisisa mme fela fa o e tsaya ya re, "where a case of exceptional public importance is presented, the Registrar informs the Chief Justice or any person for the time being acting on his stead, of this fact before allocation to enable the Chief Justice to determine whether a Judge or Judges should be nominated or empanelled by the Chief Justice in terms of Section 6 of the High Court Act." Ga se molao o moshia o ke tlang ka one.*

DR GOBOTSWANG: *Nnyaa ke a go utlwa honourable.*

MR MMUSI: *Tanki sir, ke ne ke re le tlhaloganye selo seo.*

DR GOBOTSWANG: *Ke gore o tshwanetse go lemoga gore mme gone it lands mo kgannyeng ya forum shopping, e e leng gore ga e letlelesege. Ke itse gore o ne o re o tshwentswe ke gore fa envelope e e tlaabong e le sealed e ya kwa go mongwe, e bo e fitlhela e le gore gongwe jaanong o conflicted, go tlaa diragala jang. Gore e dirwa ke Registrar kana ke CJ, go tlaa nna fela jaana. CJ o tlaabo a tlhophile yo a mo tlhophileng mme le ene yo a mo tlhophileng, e ka nna ya re gongwe go setse go ya go bulwa envelope, a bo a iphitlhela e le gore motho yo ke mangmang yo ke mo itseng. O a bona gore go*

tshwana fela mme se e leng gore it is safer and within the rules tse di amogelesegang, ke gore go dirwe system fela e e ka nnang fair with all the checks and balances jaaka go dirwa gompiano. Yone e e leng gore go dirisiwa computers go tlhophi Judges, Judge e e mo tlhophileng computer, e ka re a tsena kwa a bo a nna conflicted. Yo o tlhophileng ke CJ le ene, it could be the same thing. So ke raya gore ke buile gakere. Ke a leboga.

MINISTER FOR PRESIDENTIAL AFFAIRS, GOVERNANCE AND PUBLIC ADMINISTRATION (MR MORWAENG): *Ke a go leboga Modulasetilo rraetsho. Ke ikokobetsa ka go ema nokeng thata se se neng se buiwa ke Motlotlegi Mme Mma Dow. O ne a re tsibosa gore dikgang tsa mofuta o go a dirwa jaaka Tona a bua. Ke dikgang tse di diragalang mme re tshwanetse re di ele tlhoko. Ke gore ga re ka ke ra tsamaisa lefatshe jaaka e le gore ditsala tsa me ba kganetso ba tlaa re tshidisetsa mo dipelaelong ka dinako tsothle. Nnyaa batho betsho, ke ne ke kopa fela gore a re tlogele Rre Mmusi jaaka a re gakolola, re tlogele molao jaaka a o akantse. Ke gone mo go ka re berekelang. Jaanong mo e leng gore e re gotwe ditlhotlhomiso le dipatlisiso ke tsa mofuta o, re bo re nna teng fa re bua jaaka re bua jaana go se molato, ke ne ke akanya gore a re fetseng kgang bakaulengwe, a re dumalaneng le Rre Mmusi. Kgakololo ya ga Mme Mma Dow ke e tsaya tsia thata. Se Rre Mmusi a se buang ke se utlwisisa tota, ke ne ke kopa gore a re se ka ra ya kwa le kwa, re eme nokeng se Tona Rre Mmusi a se buang. Ke a leboga Modulasetilo.*

MINISTER OF INVESTMENT, TRADE AND INDUSTRY (MR KGAFELA): *Ke a leboga Mr Chairperson. Ke utlwa selelo, ke utlwa batlotlegi gore ba fuduiwa maikutlo ke eng. Ke ne ke lebeletse Section 6 ya High Court Act e e fang CJ ditshwanelo tsa to empanel. Fa ke e bala, e mo fa tshwanelo ya go tlhophi palo ya Judges fela, mme ga e mo fe tshwanelo ya gore a tlhophe gore Judge e tlaa nna mokete kana e nna mokete. It talks about a determination of the sitting of a single Judge or as many Judges as he may determine. So, it does not give him the power to determine the identity of the Judges but it gives him only the power to determine whether it is only one Judge who listens or it is several Judges who listen. I think we can tinker with Clause 3 to remove the Leader of the Opposition (LOO)'s cause of complaint. We can tinker with it by saying in it that, it will enable the Chief Justice upon receipt of that application to determine the number of Judges to preside, and not for him to choose which Judge should be nominated but the*

number, either is one or three. I think in that way Mr Chairperson, it will then be consistent with Section 6 of the High Court Act. I think that is my proposal.

HONOURABLE MEMBER: Clarification.

MR KGAFELA: I have yielded Mr Chair.

MR BOKO: *Clarification. Thank you Mr Chairperson. Thank you honourable. Ke go lebogele gape go tlhalosa that provision e e leng gore the Honourable Minister o ne a ratile go ka re tsenya mo sekgweng ka yone. I was just about to say what you have just said. Mme fela ka bokhutshwane, molao o, re o lebeletse ka lebaka le le telele. I do not see why this is a matter where we would need three Judges kana two panel Judges. I think matters of this nature, a single Judge is sufficient. I think from your years of practice, o ka itse dikgetsi tse di tlhokanang le gore go bo gotwe go bitswa Judges di ka nna tlhano, matters tse di tshwanang le tsa Constitution.*

MR KGAFELA: Ke utlwile.

MR BOKO: I think a single Judge will be sufficient.

HONOURABLE MEMBER: Honourable Kgafela, can I clarify something sir?

MR KGAFELA: I do not think we can prejudge that Mr Chair as to whether a matter is complex or simple. That is not for us to prejudge. It will be determined as it appears before the court. I thought we should do away with the choice of the Judge. We can simply limit it to say, proceed in terms of Section 6 of the High Court Act and deleting these other words which precede Section 6 in this amendment. Such words determine which Judge is to be nominated. I think we ought to tinker with that provision to remove that part, otherwise we should then retain the secrecy of it reaching the Chief Justice in a sealed envelope and being kept secret by him but then limiting him only to the number of Judges that should be in panel but not to the choice. The choice is conducted by the Registrar in terms of Order 42 of the High Court Rules. It is the Registrar who follows a set system of choice. That is how it should be done Mr Chairperson. I propose to the Minister, as I say, *re a thusana mo Palamenteng*. Some of these things are presented to us but when we think about them with deeper thoughts, *ke gone dilo tse dingwe re simololang re di bona*. I think we need to tinker with that Clause to remove the complaints *ya forum shopping* Mr Chairperson, and confine ourselves to Section 6 on what it explicitly says the Chief Justice can do, which does not include the choice identity of Judges but only the number of them. Thank you.

HONOURABLE MEMBER: Nnyaa, ke kopa go botsa sengwe *Mr Chairperson before Honourable Kgafela a tswa mo floor*.

MR CHAIRPERSON: O ka botsa *Minister*.

MR MMUSI: *Ke mmotsa gone fa go Clause ya Order 42, kana gone fa gatwe "Chief Justice to determine whether a Judge or Judges should be nominated," "whether a Judge or Judges." Gongwe legale ga ke utlwe Sekgoa sentle; "a Judge or Judges to be nominated."*

MR KGAFELA: Yes, it is still consistent with Section 6. It says a Judge or Judges. It makes a distinction whether he nominates a single Judge like Section 6 of the High Court Act says or he empanels more than one and that is why it then says, 'Judges'; more than one but it does not give him the power to choose the identity of the Judges. It limits him to choosing the number of Judges. That is what it says, that one says 'Judge' and the other one says 'Judges'. It the number and not the identity sir. Thank you.

MR MMUSI: Thank you for clarifying that one.

MR SALESHANDO: *Mr Chairperson, tota kgang e fela fa e tswa kwa ntlheng, mathata a me e ne e le gore re nne le tsamaiso e gotweng kamoso go tlaabo gotwe go na le Judges tsa ga Chief Justice. A re ntsheng Chief Justice mo dikgannyeng tse gore go se ka gatwe go na le special Judges ba gagwe. I understand ba ba reng the secrecy part must be maintained. Ga ke agente mme ga ke itse ditsamaiso tsa court and I cannot help to improve that. I have no problem with what Honourable Kgafela is suggesting gore role ya ga Chief Justice a tseye tshwetso ya gore a o reetsa a le mongwefela kana o akanya gore ke kgang e e batlang ba feta bongwe mme gore go tlhophiwa bomang, e nne tshwetso ya the system gore ke yone e e tsayang mang. E se ka ya nna... Forum shopping re dumalane gore ga re e batle, a re se ka ra e busetsa.*

MINISTER OF INFRASTRUCTURE AND HOUSING DEVELOPMENT (MR MOLALE):

Thank you Mr Chairperson and good day. *Ke utlwile Dr Dow, e bile ke utlwile Rre Kgafela. You see Mr Chairperson, the purpose ya molao is to bring in about stability and peaceful coexistence, so, whatever a law is drafted, it must be complementary to existing laws. Whenever a law is drafted, fa e ka tsosa conflict with other existing laws, go nna le mo gotweng a lacuna. What Honourable Kgafela is saying is that, let us avoid*

that lacuna by actually saying the law that we are discussing today should actually be in conformity with the High Court Act or whatever it is called, so that *re tswelele re neele* Chief Justice *tiro e a ntseng a e dira go le gale* without prescribing beyond what has been prescribed among the operational law *ya* High Court. It is on that understanding Mr Chairperson, that I concur with the previous speaker and for that matter, very rarely, I concur with the Leader of the Opposition (LOO). I thank you sir.

MR SALESHANDO: Congratulations!

MR CHAIRPERSON: If you know, presently, it is quite clear on how cases are managed. Why do you want to repeat that law? If the High Court Act is clear, why do we want to repeat it?

MR MOLALE: Go bodiwa nna *sir*?

MR CHAIRPERSON: No, I am asking the House.

HONOURABLE MEMBER: Ka gore e ntse e le mo *the High Court*, why should we repeat it? Ke se le nna ke ntseng ke se ipotsa.

MR CHAIRPERSON: Go thusa mang, ka eng?

HONOURABLE MEMBER: Le re jela nako.

MR CHAIRPERSON: Honourable Dr Dow.

HONOURABLE MEMBER: Wena o alotse nako fela Vice President (VP).

HONOURABLE MEMBER: Wena o mo nakong ga o mo *quality* ya molao o o diriwang.

HONOURABLE MEMBER: Ke batla gore dirukhuthli tse di bolayang ditshukudu di ye go tshwarwa ka bonako kwa Okavango.

HONOURABLE MEMBER: You do not care about the quality of the law that we are making.

DR DOW: Thank you Mr Chairperson. *Rre* Hikuama *le* honourable...

MR CHAIRPERSON: Ba re fa o ka atumela selo sa Makgoa.

DR DOW: *Ke se atumetse*, I do not know *gore* what is happening now.

HONOURABLE MEMBER: *Oketsa* volume; click volume *ya* your device.

DR DOW: *Ke okeditse, e gana go supa*. I do not know whether the matter has been settled because I think Honourable Boko *le* Honourable Kgafela *ba itse gore* how a case is registered at the High Court. You come with your papers, you go to the Registry and not Registrar; the Registry. They take the details and put them in a computer, save what has been the nature of the case and then who the attorneys and parties are. That is the process as it is and I think that is an open process, so *ke tsaya gore* we are trying to balance that process although there has to be fairness and transparency to make sure *gore* the interest of the parties *yo o gone foo* is protected. *Ga go na* forum shopping. I think the issue really or the language we should be bringing to this Act *ke gore*, “a Judge or Judges to be selected by a process that will ensure traction of the details of the case.” That is what we are saying. The Chief Justice must put in place that process without compromising or without promoting forum shopping, so there has to be a special process by which these cases are registered without giving out their details but without promoting forum shopping. That is where I think the balance is because if you are using the current process, there is no doubt *gore* 10 people will know at the end of the day what the case is about, who the parties are, what is the nature of their litigation. *Ke ne ke re ke tlhalose fela gone moo*.

MR MMUSI: *Mr Chairperson*, gongwe ke ka kopa *the drafters to redraft based on what Mma Dow is saying*. Ke ene yo ke dumalanang nae.

HONOURABLE MEMBER: No, not just her.

HONOURABLE MEMBER: Re reetse rotlhe Tona.

MR MMUSI: Nnyaa, ke le reeditse.

MR CHAIRPERSON: *Order! Order! Honourable Members*, ke nako ya borakanelo jaanong gatwe di budule. *Please* tsamayang le ye go kopa borakanelo *and we should try to be here* ka 2:00 p.m le ka tla la feta jaana la mpona.

HONOURABLE MEMBER: Di butswa di le kae *Mr Chairperson*?

MR CHAIRPERSON: Di butswa di le kwa le ntseng le e ja teng fa e le Labone.

**PROCEEDINGS SUSPENDED AT 1:00 P.M. FOR
APPROXIMATELY 1 HOUR**

PROCEEDINGS RESUMED AT 2:00 P.M.

MR CHAIRPERSON: Honourable Members, let us resume our Committee Stage. You will recall we are dealing with Clause 8 and there was that issue concerning the filing of ex parte applications.

HONOURABLE MEMBER: Should I comment Mr Chairperson?

MR CHAIRPERSON: *Ee rra.* Honourable Mthimkhulu, has the floor to comment.

ASSISTANT MINISTER FOR PRESIDENTIAL AFFAIRS, GOVERNANCE AND PUBLIC ADMINISTRATION (MR MTHIMKHULU): Yes, Mr Chairperson. When we went to the break, *go ne go buiwa ka* Clause *ya* the Chief Justice.

MR MMUSI: Ke ne ke kopa gore re ise re diege gongwe ke bue gore ke tswa go tsaya *opinion* e e ntseng jang kwa go ba Attorney General's.

HONOURABLE MEMBERS: ... (Murmurs) ...

MR MTHIMKHULU: What if I make my suggestion first?

MR MMUSI: Okay.

MR CHAIRPERSON: I have given the floor... (Interruptions)... Honourable Mthimkhulu has the floor.

MR MTHIMKHULU: *Ke ne ke lebile* Clause *e batho ba neng ba tshwenyega ka* the Chief Justice *e le ene a kgonang go dira* allocation for a Judge. *Kana golo mo ke ne ke akanya gore* maybe to allay the fears of Honourable Members, *gore go nne fela gore fa go sena go kwadisiwa* (registering) case before the Registrar, Registrar can then allocate it to a Judge which should be following a system, *e se* computerised but on a rotational basis. *Fa e le gore* he has allocated it to a particular Judge today, the next allocation is not going to that Judge but to a different Judge *fela jalo, go fithelela ba felela ba bo ba boelela* on that list. That way I think it will allay the fears of Honourable Members. It will also now be following *go dira e kete* the computer system *e bone ba e dirang e le gore* it allocates automatically but *fa jaanong go aba motho yo o itseng gore* Judges *di 27*. Every time I am giving to this particular Judge, the next time I will not give him again before I allocate to the others. *Fa go ntse jalo* I think it will be fair enough; do not go to the same Judge over and over again.

Gape kana golo fa o ka lebelela the Criminal Procedure and Evidence Act *e e mo tirisong gompiano*, the police

can still appear before any Magistrate or Judge *ba bo ba kopa* warrant for search or warrant for arrest, *mme fa ba dira jaana, ga go na* any allocation requirement in the Act. They appear before any Magistrate any time. They can appear before the same Magistrate over and over again but there has not been any complaint about that procedure up to this point, at least about the constitutionality or unfairness of that procedure up to this point. That is why *ke re* when we allow the Registrar to do that on our behalf on a rotational basis, then I do not think there will be any complaints or any fears. There will be nothing to fear about that process going forward. Thank you Mr Chairperson.

MR CHAIRPERSON: Honourable Minister Mmusi.

MR MMUSI: Thank you Mr Chairperson. *Ke ne ke re ke ne ke bua le* our drafters and we have discussed it. *Ke ne ke re re ba fe* chance, they are drafting, *mme ba tlaa boela kwa go nna ke bo ke tla e* present. *Gongwe re ka ya kwa go e e latelang, mme gone* in line with what Honourable Mthimkhulu is saying.

MR CHAIRPERSON: You are asking us to suspend Clause 8 as well?

MR MMUSI: *Ee rra;* Clause 8.

HONOURABLE MEMBER: What about Clause 7?

MR CHAIRPERSON: *Yone remains on suspension until* a re bolelela gore o fa kae.

MR MMUSI: Nnyaa, *Clause 7* le yone go siame, ke tla e ntsha *Mr Chairperson* gone fale *for the sake of ...* (Interruptions)... *Clause 7.2* ke tla e ntsha yotlhe.

HONOURABLE MEMBER: You are a very good gentleman.

HONOURABLE MEMBER: You are a gentleman of the first order.

HONOURABLE MEMBER: Ke mo itse a ntse jalo.

HONOURABLE MEMBERS: ... (Murmurs) ...

MR CHAIRPERSON: Honourable Minister...

HONOURABLE MEMBER: Ramogapi, *Mr Chairperson* o a bua.

MR CHAIRPERSON: Ga re kwa rankeng ya Palapye.

MR MMUSI: Hello, Mr Chairperson.

MR CHAIRPERSON: *Re ne re re* regarding Clause 7, if you can then put it on record *gore o a re o dira eng ka yone*.

MR MMUSI: *Ehe rra!* Okay. Clause 7, we will remove 7.2 and then renumber Mr Chairperson. Then redo the numbering of 1 and 3 to 102.

HONOURABLE MEMBER: Procedure, Mr Chairperson; just a quick one.

MR CHAIRPERSON: A o batla go bua kana o batla *procedure tota? O itse the difference?*

MR MMUSI: Tlang re ye kwa *Clause e e latelang*, ke dumela gore ke *Clause...*

MR CHAIRPERSON: Honourable Minister, not so fast. There is a procedure that we must follow. *Monna wa Mahalapye Bophirima o nna* confused between procedure and wanting to speak...(Inaudible)...

MR TSHERE: *Sorry Mr Chairperson.* Ke ne ke re ke kgakololo fela e khutshwane gore, kana *remember, after Clause 6 we introduced a new Clause 7 and we numbered ka go sele. So go batla re di number gore di tsamaye sentle Mr Chairperson. Ga ke itse gore a ke a utlwala sentle.*

MR CHAIRPERSON: Honourable Member for Mahalapye West, do not confuse us ...(Inaudible)... as it appears on the Bill. That is what the Honourable Minister is talking to, not the addition or anything else.

MR CHAIRPERSON: Honourable Minister, you have now lost me. We have dealt with Clauses 9, 10, 11, 12 and I thought you were introducing a new Clause immediately after Clause 12.

MR MMUSI: Following new Clauses not Clause and renumbering subsequent provisions accordingly.

HONOURABLE MEMBER: *O tsenya* Clauses *di le pedi golo fa* Mr Chairperson at the same time. So renumbering will be attended by *ba ba dirang* clean-up.

MR CHAIRPERSON: We cannot do that, we deal with one at a time. So deal with 13 or what will become 13. The first new Clause that you want to introduce Minister, deal with that one first.

MR MMUSI: Yes Mr Chairperson, understood. Should I repeat it Mr Chairperson. The Bill is amended at page B.8 by inserting immediately after Clause 12, the following new Clause and renumbering subsequent provisions accordingly -

MR REATILE (JWANENG-MABUTSANE): *Thank you Mr Chairperson. MINISTER OF INFRASTRUCTURE AND HOUSING DEVELOPMENT (MR MOLALE): *Thank you Mr Chairperson. MR REATILE: *The Honourable Minister is making a reference to Section 7, “shall within the necessary modification.” Section 7 ga ke itse gore Tona is referring kwa go efe ka gore ke itse gore fa e le gore he refers mo go e e leng gore ke yone ya Bill e kana ke e e leng gore e dule semmuso, ga e sa tshole e le teng. Jaanong ga go na reference e re ka e dirang to yone.*

MR MMUSI: *I am referring mo go e ntšha Mopalamente yo o tlotlegang Rre Reatile.*

MR REATILE: E ntšha ke raya gore ke yone e re ntseng re e ntsha kana.

MR MMUSI: *Nnyaa, go na le e nngwe e re e tsentseng e e mo Order Paper, e e reng, “protection of privacy in the controlled investigations.”*

MR REATILE: *Okay.*

MR MMUSI: *Thank you Reatile, a ko re ye Mabutsane monna, dipodi tsa me di koo.*

Clause 19 as amended **agreed to.**

MR CHAIRPERSON: The question is that Clauses 20 to 33 stand part of the Bill.

HONOURABLE MEMBER: Mr Chairperson.

MR CHAIRPERSON: Honourable Tshere.

MR TSHERE: *Thank you very much Mr Chairperson, sorry I did not have my microphone on. My query is on Clause 32, I do not have any problem with other Clauses before that. Kana Clause 32 ke e re neng re bua ka yone gore how do we now guard against an officer yo o tlaabong a itirela bosupi, a bo a bo tlisa fa pele ga lekgotla a tlhona o kare ke bosupi jwa nnete? Re mo otlhaya jang ka gore Clause 32 e mo ntsha mo molatong ya re Government be sued? Ke yone e re nang le kutlwisanyo e sa utlwaleng sentle le Honourable Minister, ga ke itse gore o e tlhalosa jang. Ke tlhaloganya ka assumed identity, moo ke molato e bile fa o ka o dirisa botlhaswa, but ga re bue ka yo o itirelang bosupi. Mr Chairperson, I need a clarification on that one. Thank you.*

MR CHAIRPERSON: There are two ways of proceeding, you can dispose of 20 to 31 immediately, and then you have no proposal except you want an explanation...

MR SALESHANDO: Mr Chairperson, did you say up to 31 because I also have an issue I have been waiting for Clause 24 at B.13.

MR CHAIRPERSON: ...*(Inaudible)*... to you that I was calling Clauses 20 to 33.

MR SALESHANDO: I thought you said to 23, my apologies.

MR CHAIRPERSON: 33, but there are no amendments noticed...

MR SALESHANDO: I raised up an issue under 24.

Clauses 20 - 23 agreed to.

Clause 24

MR SALESHANDO (MAUN WEST): *Mr Chairperson, ke na le bothata le Clause 24 ka fa e kwalegileng ka teng, e itebaganya le the service providers. Ke batla go itebaganya thatathata ka gore ke tsaya gore fa re ganeletse mo go tsa megala, re bua ka bo beMobile, Orange, Mascom. Honourable Mmusi o tsentse clause e re neng re e baakanya gone jaana at Clause 19, e e ba pateletsang gore service provider fa go kopiwa, o tlisa information e bile re ka isa equipment ra e baya koo to record, to cover them. Now what we*

are doing here Honourable Mmusi ke gore, jaanong o batla to determine technology e e dirisiwang ke service providers, wa re they must install hardware and software facilities and devices which enable the interception of communication at all times or when so required le tse dingwe fela jalo.

You are now meddling with decisions of investors, ke lebelo le kgaisanyo ya gore who has the best quality network jaaka go iwa kwa go bo 5G, 6G as we go on. Se o se dirang fela ke gore mo Botswana re tlaabo re ka kgona go ba raya re re, no you cannot upgrade your software, ka gore rona re batla e e motlhofo to be intercepted, notwithstanding that we can get an order and force them to record ba bo ba re neela.

I think we are over stepping the mark, and we are going to make our telecommunications industry less competitive fa ba ka tshwarwa ke gore the investigative bodies tsa re nnyaa, ga ke go letlelele to upgrade to where other countries are. These companies a lot of them are international, if Orange upgrades to some software, normally it will be the world over.

Gore go bo go itsewe gore kwa Botswana Goromente o a kganela ka gore a re o batla go reetsa mme re na le provision e e tlhamaletseng e e ba pateletsang gore fa re ka re re batla go reetsa the following numbers tsa bosemangmang they have to comply. Why go to even the technology and software they deploy, I have a problem with that but maybe there is an answer.

MR CHAIRPERSON: Honourable Minister.

MR MMUSI: The way I understand it sir, there is no restriction. The service provider is asked to install a system ya the investigators just to a particular project. It is not on a permanent basis which affects, it is for a particular project. Therefore, we are not going to interfere with their upgrades on anything. It is specifically for projects. *Jaaka re buile gore, warrant is for a particular project, it is for a period of so many months. I thank you Mr Chairperson.*

MR SALESHANDO: Read 24 (b).

HONOURABLE MEMBER: Ga e balege jalo, e bale.

HONOURABLE MEMBER: Ba reye ba go e thuse Motshweneng, ga ba go e tlhalosetse ka fa ba e kwadileng ka teng.

MR MMUSI: Nnyaa, nna ke a bala.

MR CHAIRPERSON: Honourable Tshere.

MR TSHERE (MAHALAPYE WEST): *Yes Mr Chairperson, ke ne ke re ke eme nokeng Honourable Saleshando. Ke gore gape nna...*

HONOURABLE MEMBER: Ga o a supiwana.

MR TSHERE: *...(Inaudible)... Honourable Chairperson, ke tsebe ntlha honourable. I worry ka gore jaaka Honourable Leader of Opposition (LOO) a bua, o kare jaanong re ya go bolelela batho ba gore ba dire jang ka businesses tsa bone, e bo e bile re tselelela thata kwa go bone. Ga ke itse gore a molao o kgona gore o nne jalo, o mpolelele ke le kwa komponeng ya me gore wena dira jaana, e bile o tshwanetse to install dilo mo dibalamakgolong tsa rona to record calls tsa batho. Ke ipotsa gore ke eng this investigation organ e ka se ke e ithekele dilo tsa yone fela, and intersect koo e le nosi, and perhaps ask for information that relates gore go ne go letswa jang at the service provider. Ke bona go ya go tsenya service provider dingalo tota mo e leng gore jaanong re ya go leba Mascom and Botswana Telecommunications Corporation (BTC) ka tsela e sele e o kareng ba tsaya karolo mo go reetseng phones tsa rona. Jaanong re ya go ba ntsha jang from the responsibility ya gore o kare ba tsaya karolo mo go reetseng phones tsa rona? This has been a case globally Mr Chairperson gore, the service providers di felela di rekisa information, di felela di reng, e bile o kare it is offered without a court order. I support Honourable LOO. I thank you.*

MR MMUSI: *Ke ne ke re a re baleng, kana golofa gatwe, "install hardware and software facilities and devices which enable the interception of communication." We are saying they cannot install hardware and software which we cannot enable interception. That is all what we are saying.*

HONOURABLE MEMBER: That is the bone of contention Honourable Minister.

HONOURABLE MEMBER: Yes.

MR MMUSI: We are doing these things for where there is a security threat to the country. It is not about the business, it is about the business, it is about the country which is important.

HONOURABLE MEMBER: I want to elucidate honourable if I may.

MR MMUSI: Yes sir.

MR SALESHANDO: *Elucidation. Here is the difficulty, wa re telecommunication system, o bua ka technical capable of supporting lawful interceptions. O bo o tswelala gape kwa go (b), remember gore re setse re buile gore go na le e nngwe e e go letlelelang gore you can demand gore ke batla go reetsa the following conversations. Over and above that, go na e e reng o ka tlisa. Ke gore you can demand, ba bo ba go neela, ba a patelesega. Before re tsena kwa go 24, you can also go and install for your own recording, go a patelesega. But then when you go further o bo o re jaanong le software and telecommunications systems, that is an investment decision. O bo o re hardware and software facilities describing them. It gets worse fa o ya kwa 24 (2) on the other page, o bo o bua gore fa ba ka se ka ba dira jalo, fa o ka fitlhela ba tsentse software e e leng gore ga e go thuse, they are charged bo P50,000, and the Directors ba dirile molato ba ka ya toronkong. Notwithstanding gore o na le Clause e e reng no matter what software or hardware they have, fa o batla information go reetsa, they must facilitate. I think this is unnecessary over-reach Mr Chairperson.*

MR MMUSI: *Golofa we cannot allow service providers to install dilo tse rona re ka se kang ra di berekisa, we need them to install dilo tse re ka di berekisang because as I say, we were looking at security of a county.*

MR SALESHANDO: I am with you, my point is that Section 7 which we have just dealt with, *eo e setse e go file dithata tseo. Mo amendments tsa gago Number 10, the Bill is amended at Clause 19 ya re, "A court may approve a warrant and may require a communication service provider to intercept and retain specified communication of a specified description received or transmitted, or about to be received or transmitted by that communication service provider." Gone moo go go fa sengwe le sengwe se o se tlhokang go dira tiro ya gago.*

MR MMUSI: Nnyaa rraetsho, moo go raya gore ba ka mpha information. Jaanong fa ka re ke batla gore ke kgone go ka tsenya equipment ya me koo, ke gore ba nne le equipment e e ka kgonang go berekisana le ya me fa go tlhokafala.

MR SALESHANDO: And therein is the difficulty, *kamoso ba tlaabo ba batla to upgrade as investors to compete with other service providers internationally.*

MR MMUSI: That will not affect them at all *Rre Saleshando. Mr Chairperson, that will not affect them at all.*

MR RAMOGAPI (PALAPYE): Ke a leboga *Mr Chairperson*. *Mr Chairperson*, o bona kgang e re buang ka yone fa *if my memory serves me well*, go na le *case* e nngwe e e batlileng go tshwana le e. E e neng e ama ba sepodise, ga ke itse gore e ne e le mang golo fale. Ba ba neng ba rekile *machine that intercept* mme ba kwa Mascom ba bo ba re *no, software* ya rona *has been upgraded*, ga o kgone gore jaanong *messages* kana *communication* e e fetang fa e kgone gore e e kape. Ga bo go raya gore *machine* oo o nna *redundant*. *If my memory serves me well*, motho yo o neng a emetse Goromente... Ke itse gore Rraetsho Sidney Pilane go ne go na le fa a neng a eme teng, ga ke itse gore a o ne a emetse Goromente golo fale mme ke gakologelwa o kare o ne a mo emetse. Jaanong se ke welang ka sone ke gore kgang e e kwadilweng fa ga e a le bana. *Honourable Saleshando* o bolelela ruri ka *software*. Ke lesego ka gore ke mongwe wa batho ba ke ithutileng dilonyana tse dintsinzana, le *communication and technology*. *Software* ke golo mo go shafadiwang letsatsi le letsatsi.

HONOURABLE MEMBER: O *sure* o a e itse wena *software*?

MR MMUSI: E seng ya *mobile company*, wena o raya ya *cell phone*. Re bua ka *mobile company* golo fa.

MR RAMOGAPI: Nte ke wele ke go thuse Motshweneng, o a itse gore ga ke go fufegele, ke motho yo ke lebelelang dilo *objectively*.

Kgang e re e buang fa e ke gore fa re tsaya sekai ka *computers* tsa ga Goromente tse, tsa Government Accounting and Budgeting System (GABS) gore ba tle ba tlhologanye motlhofo, *system* e e mo GABS e e rile fa ba re ba a e tokafatsa ka *computers* tse di ntseng di le mo teng, e bo e gana e re gore ke kgone go bereka, go batla gore le reke *computers* tse dingwe. Jaanong se Rre Saleshando a se buang ke gone gore kana go tlaabo go raya gore gongwe bone ba ya go tla ka *system* e e kwa godimo e batla gore ba *improve*, ba bo ba na le *system* e e rileng ya *computers* tse di kwa godimo. Kana bone ba ya kwa pele ba batla *to improve* e le *investors* jaaka re itse gore ba phadisanya le ba bangwe. Goromente ene a re ga ke na madi, ga ke ka ke ka kgona gore ke bo ke ka berekisana le *system* eo. So ke tsaya gore ka mowa o montle, a ko re lebelelang kgang e *in this manner* gore jaanong fa re re re tlaabo re *interfere* le *the investor*, e bile e re re tsena kwa pele go bo go pala, re raya jang? Re raya gone mo e leng gore tota *software from time to time* e nna e tokafadiwa e ntse jaana.

MR CHAIRPERSON: Thank you very much Honourable Ramogapi.

ASSISTANT MINISTER FOR PRESIDENTIAL AFFAIRS, GOVERNANCE AND PUBLIC ADMINISTRATION (MR MTHIMKHULU): *Thank you Mr Chairperson*. Ke bona *Clause* e e sena mathata fela tota a a akanyediwang ke bakaulengwe ba bangwe. Ke gore *these telecommunication companies* tse Rre Saleshando ke neng ke utlwa a di umaka, go setse go na le *process* e e leng gore *they have a system where they store information*. *Some of us who have dealt with it, there is a certain period of time that they have been storing information*, go tswa foo *they dispose it before* go tla molao o *into play*. *Before this law* e bile o akanyediwa, ba ntse ba dira jalo *from long time back, but they have been keeping it for a certain period of time*, go tswa foo *they dispose information* eo *after maybe three or six months or after a year*. *There is a period that they have been keeping it*. *So these systems they have them*.

Ke utlwa se Rre Mmusi a se buang sentle gore *these systems* tsa bone di kgona *to allow systems* tsa *the law enforcement officers to work in conjunction* le tsone fela *together*. E se ka ya re kamoso e re fa ba *law enforcement officers* ba batla *data* kana ba batla *to intercept*, go bo go nna le *difficulty about the kind of system or infrastructure that they have, which may impede the law enforcement officers from performing their work*. Ke gone fela fa e leng gore *maybe* go ka twe Rre Saleshando o ne a ngongorega teng, a sa tseege sentle teng. Kana Rre Mmusi o ne a bua a re *these systems* tsa bone, *they will not in any way put any additional burden* mo *telecommunication providers* jaaka di ntse di dira gale le gale. Ke tsaya gore *these Clauses* di siame fela *Mr Chairperson*. *Thank you sir*.

MR REATILE (JWANENG-MABUTSANE): *Thank you Mr Chairperson*. *Mr Chairperson*, ke tlaa ikamanya thata le kgang e re neng re gakololwa ke *Honourable Molale* kgantele gore re tshwanetse re bone gore fa re dira molao, ke o e tlaa reng kamoso, le bo le le mo tseleng ya tshiamo, e se ka ya re kgantele e bo e le gore jaanong re fitlhetse re re re dira molao, re bo re bofa e mengwe. Fa o thulana le melao e mengwe, kana go raya gore jaanong o moshia o ga o ka ke wa ntsha e e ntseng e tshela mo tsamaisong. Go raya gore e e tsayang *precedence*, ga ke itse gore a ke o moshia kana ke o mogologolo. Se ke lekang go se supa fa *Mr Chairperson*, mo e setseng e le *judgements*, tsone ga re ka ke ra tla go di dirolola ka molao ka gore fa e le gore

go na le *order* e e neng ya tswa ele ya gore mapodise ba ne ba re *if we have mounted speed traps*, batho ba ba na le *technology* ya gore jaanong, ba na le *sensors*, ba bo ba tsaya motho a ba a ya kwa *court*. *Court* e bo e ya gore *upgrade system* ya lona. *It is a matter of competition*. Jaanong ga re ka ke ra tla fa, batho ba e leng gore ke bone ba neelang batho ba rona ba *security intelligence interception gadgets* ba sena *technology that competes* le ya *the service providers*. Ga re ka ke ra tla go itsa *service providers* go gola mme e le gore tota rona ga re tsamaisa kgwebo e e ntseng jalo, go na le mongwe yo o e tsamaisang a le kwa Russia kana India. Ke gore re batla yo o ka lepalepanang le seemo sa gore *technology if upgraded*, o a e fitlhelela.

Jaanong se *Honourable Minister* a se buang a re, *no*, batho ba re rekang kwa go bone *technology* ya go reetsa ditlhabetsi mo lefatsheng la rona, fa e le gore ba palelwa ke *to upgrade system*, re tlaa raya ba *telecommunications* gore emang pele, ba rona ga ba ise ba nne le bokgoni. *We cannot operate like that*. Competition Authority Act e le gone e bereka fa kae fa e le gore re ya go itsa batho go tsamaela (*move*) kwa pele *Honourable Mmusi*? Ke tsone dilo tse e leng gore fa re bua ka Fourth Industrial Revolution (4IR), re golotse batho ka ditomo mokaulengwe. *Information* e re e batlang kwa go ba *telecommunications*, ga ba ka ke ba tlhoka go e re neela ka *amendment* e o tlileng ka yone le e *Honourable Dumelang Saleshando* a sa tswang go e baya pele. Ka one mabaka a, sekaseka kgang mokaulengwe gore e se ka ya re kamoso, bagwebi ba bo ba seka le rona lebakeng la gore re ba itsa go tswelela. Fa ba seka le rona, ba bangwe ke *international company*. *I thank you sir*.

MINISTER OF INFRASTRUCTURE AND HOUSING DEVELOPMENT (MR MOLALE):

Thank you Mr Chairperson. I see a danger here *ya gore Palamente e bo e tsena mo field e e seng ya yone ya go leka go supa* gore they know a lot about telecommunications' gadgets or anything like that. *Fa re ka bua jalo*, everybody will come with their own knowledge of how the gadgets, systems and everything works. I thought *molao wa re*, whoever is there as a service provider must always be in conformity with the dictates of our security requirements in this country. That is where we should stop. *Ke sone fela se re se batlang and ke sone se Rre Mmusi a se kopang* to try, define and show *gore se se ka bereka, se ga se ka ke sa bereka, fa e le gore Goromente* has to match the compatibility *ya the* new systems as we upgrade. We have to do that for the sake of security. Let us not tread into territory *e e seng*

ya rona. Rona a re bue fela and dictate *gore molao wa re*, every service provider must conform to the dictates of what we are proposing. I thank you Mr Chairperson.

HONOURABLE MEMBER: Letsatsi le ke go utlwile *honourable* mme ga o dumalane le Mmusi.

HONOURABLE MEMBER: Ee, ga ba dumalane gotlhelele.

MR MOLALE: Malatsi a Lucas, o tshwanetse go ntheetsa.

MR CHAIRPERSON: Honourable Ramogapi.

HONOURABLE MEMBER: Honourable Ramogapi o buile *Mr Chairperson*, a re tlhopheng re tsamaye.

MR CHAIRPERSON: We are at Committee Honourable Minister.

MINISTER OF BASIC EDUCATION (MR MOLAO): Ke a leboga *Mr Chairperson*. Tota *part of what I was going to say* ke yone e e amilweng (*covered*) ke Rre Molale. Ke dumela gore *we do not want to have a service provider who may either deliberately or inadvertently* a fitlhela e le gore *has installed a system* e e leng gore *the law enforcement agency* ga e ka ke ya kgona go e dirisa ka nako e e a bong e tlhokafala gore e e dirise *for purposes of crime prevention*. Ke dumela gore molao o, *covers* gone foo ka gore *Clauses* tse di kwa pele *allow for both scenarios* tsa gore *either the service provider can be compelled to provide the information or the law enforcement agencies can install their devices* gone kwa *the service provider for purposes of getting information* e ba e batlang. *Both scenarios must be provided for at all times. In my understanding...*

HONOURABLE MEMBER: Clarification.

MR MOLAO: ...*Clause* e, e akaretsa *scenario* e e ntseng jalo *Mr Chairperson*. Ga ke itse gore a ke utlwa gotwe *clarification*.

HONOURABLE MEMBER: Fa e le gore o na le nako.

MR CHAIRPERSON: You have 40 seconds.

MR TSOGWANE: *Clarification*. Ke dumalana le wena *Minister* le Rre Molale. Dilo tse di tshwana fela le gompieno re ntse re reka dipilisi kana mekento. Re ntse re tlhatlhoba, re bona gore a mme go a tsamaelana, *has it been accredited by others here in our country*. Ga ke bone fa go na le phoso le gore *Minister* o na

MR LUCAS (BOBONONG): Ke a leboga Modulasetilo. Tota kgang e builwe ke Rre Molale gore re se ka ra leka go tseno mo *details* tse di tseletseng jaaka *Clause* e, e leka go tselelela mo go tsa *technologies*. Se se botlhokwa ke gore *as* Goromente, *we have a duty to keep up with advances in technology*. Ga re a tshwanela go gogela ope kwa morago ka gore gongwe rona re saletse kwa morago mo *technology*. Fa re dira jalo, re tlaabo re lwantsha *the service providers*, e bile fa gongwe re ba gogela kwa morago gore ba ba gaisanyang le bone ba tle ba fetele kwa pele ga bone. *In a free market economy*, ga re a tshwanela gore e re fa re re lwantsha borukutlhi, e bo e le gore *we sabotage businesses* tsa *communication*. *In that respect*, ke akanya gore *Clauses* tse di setseng di le teng, tse di supang gore *every service provider has a responsibility to ensure that* fa molao o tlhoka *for information to be intercepted*, o tlaa dira jalo. Gone mo ka bo gone fa go builwe jalo, go wetse. Fa a sa dire jalo o molato, *so*, a re ntsheng *Clause* e e lebegang e kete *will interfere with innovation and creativity* ya *private sector*. *Thank you very much Mr Chairperson*.

HONOURABLE MEMBER: *Nnyaa*, you are distorting my presentation. You are distorting it deliberately.

MR LUCAS: Fa ke dumalana le wena o fitlhela o tshogile, ga ke itse gore mathata a gago ke eng.

MR MMUSI: *Mr Chairperson*, ke buile gore molao o o siame, ga o na mathata ape, o tlhamaletse mme re tsamaya ka one o ntse jaana. *I thank you Mr Chairperson*.

Clause 32

MR TSHERE (MAHALAPYE WEST): *Thank you very much Honourable Chair*. Ke lebeletse *Clause 32* jaaka re ne re buisana ka gore re ne re supa matshwenyego a gore ya re, *investigation officer* fa a tsamale a ya go tlhotlhomisa (*investigate*), kana a tla ka bosupi jo e seng jone, *he cannot be personally held liable* ene ka bo ene. Re ne re supile gore Tona a e sekaseke, a bone gore gone foo *how can we safeguard* batho ba e leng gore *in the past were accused* ka *information* e e *wrong* e e leng

Re dira jang gore re kgone *to safeguard and protect* batho go se ka ga tlhola go dirwa *evidence, being fabricated and presented to court* ka maina a bone, ba senyega maina jaana? Ke ne ke ipotsa gore *Honourable Minister perhaps he can explain why* a sa utlwa eo karabo ka gore tota ke motho yo o utlwang yo a ntseng a re ruta. *Thank you very much Honourable Chairperson*.

MR SALESHANDO (MAUN WEST): *Yes, Mr Chairperson*. Bothata jwa 32 *Honourable Mmusi* bo fa, ya re ga o ka ke wa tsaya kgato epe kgatlhanong le ba ba berekelang makgotla a a dirang ditlhotlhomiso, tse ba ka tswang ba di dirile ba ne ba filwe tetla, *authorised*, ke molao. MR RAMOGAPI (PALAPYE): Ke a leboga *Mr Chairperson*. Ke dumalana le *Honourable Tshere*. Kana kgang e yone tota re sale re buile ka yone re ngongorega ka yone le kwa General Assembly, re supa gore nnyaa, batho ba Modimo fa re dira melao, tota a re itse gore ga re direle rona gompiono, re direla le bana ba rona le bana ba bana ba rona ba ba tlang. *Already in Botswana we have serious crisis whereby it was stated that some of the investigators fabricated evidence*. *So, in issues like these ones, should we just say* motho a dirile ... (*Inaudible*)... jo bo kalo go bo gotwe nnyaa, a go fetwe fela, ga re a tshwanela go tsamaisa lefatshe ka tsela e e ntseng jalo. Batho ba tshwanetse gore ka fa morago ga bone, ba bo ba nna ba ntse ba itse gore *if* ke dira phoso ya botlhaswa, ya bofalele, ke tshwanetse go sekisiwa, ke isiwe kwa makgotleng, ke ka seka ka bonosi.

Gape molao o jaaka *Honourable Saleshando* a ne a bua kwa morago, re setse re supile gore fa e le gore motho o ka dirisa *assumed identity* bofalele, ba tshwanelwa ke

gore ba lebiswiwe molato. Jaanong *Clause* e e farologana le tsele, e bile gape ka ke dumalana, a bagaetsho ka tse di re diragaletseng mo lefatsheng la rona, re monele marulwana pele, re bone gore re baakanya lefatsho la rona. *I therefore support Honourable Tshere*. Ke a leboga.

MINISTER OF DEFENCE, JUSTICE AND SECURITY (MR MMUSI): Thank you. Mr Chairperson. Now we understand this Clause, I do not agree with Honourable Tshere *ka gore ke dumela gore kwa* Clause 32 it speaks to immunity for lawful act and clarify that immunity only extends for authorised conduct. *Ke ka fa ke e tlhloganyang ka teng, le ba molao fa ke ba botsa, re ne re e tlhloganya ba nkgakolola jalo. Ga ke dumalane le Honourable Tshere*. I thank you Mr Chairperson.

MINISTER OF BASIC EDUCATION (MR MOLAO): *Mr Chairperson*, ka bokhutshwane, *I think* ke utlwa se *Minister* a se rayang. Kana ke tsaya gore *Clauses* tse di buang ka bofalele le *abuse*, kana *abuse will be determined through due process* gore fa o ne o feteletse, *this was abuse*, e bo motho a lebiswiwa molato jaaka a tshwanetse. *This one* ke dumela gore *it gives sort of assurance* ya gore batho ba ba *authorised* go ya go batlisisa, jaanong ga ba tsamaye e le gore *they are walking on a tightrope*, ga ba itse gore fa ke gata ka fa, fa motho a ka tla a itsheka a bo a fenyha *case*, *then* ke tlaabo ke ya go di arabela ka bo nna. E tlaabo e kete re ba bofelela mabogo kwa morago gore ba se ka ba dira tiro ya bone ba phuthologile. Kana fa motho go ne go bonwe *evidence*, e bo e bewa *before court*, *there are only two things that will emerge, either they will successfully prosecute and convict or they will lose the case*. MINISTER OF MINERAL RESOURCES, GREEN TECHNOLOGY AND ENERGY SECURITY (MR MOAGI): Thank you Mr Chairperson. Just subtle corrections there, on page 8, 4 (1) (a), I think there is a missing 'be' "qualifies to be appointed." That is what I picked. Then on question 10 (5) (c) "member's", there is no apostrophe there under members. Then there are a few other ones where we need to be really consistent on the punctuations. I thank you Mr Chairperson.

MR CHAIRPERSON: Thank you very much Minister, you are quite right.

MR SALESHANDO (MAUN WEST): *Thank you Mr Chairperson. Minister ke na le bothatanyana under "composition of Committee."* Gore gongwe re ne re ka thusanya to improve. Kana komiti e ke yone gape e e sekasekang gore a molao ga o dirisiwe botlhaswa. *I hope I am using an acceptable word.* Fa o na le ngongorego, ke yone e o ka ikuelang kwa go yone. Gakere molao o o tsamaisiwa ke Lephata la Puso e leng la gago. Fa go nna jaana gape e bo e le gore boloko jwa komiti yone e bo na le bo PS wa gago, PS wa kwa *Foreign Affairs*, boorra *Attorney General* le bagolwane ba bangwe ba Puso, kana *oversight* go tewa go tlhodomela gore a ba ba filweng boikarabelo ba tsamaisa sentle. Jaanong fa komiti e o ikuelang kwa go yone gape e tletse ba e leng gore ke badirelapuso go sena ba ba senang a duty to defend the department, oversight e batla o na le objectivity ya gore you are not part of the system, o eme kwa ntle o lebelela mo teng gore a mme go tsamaisitswe sentle. A ga o bone go le botoka gore mo go ba o neng o batla go ba tsenya ba le six, o letlelele gore e se ka ya nna batho ba ba berekang mo Pusong? Mo go neng go tlaabo go raya gore Sub-clause 3 (2) e e reng, "A representative under subparagraph (1) shall not be below the level of Deputy Permanent Secretary." Kana go raya gore o batla ba Puso fela. You do not even have scope for mongwe yo o ka tswang kwa bo Law Society a na le experience e ntsi ya melao e e tsamaelanang le dilo tsa telecommunication mme e le agente. A ga se sengwe se o bonang se ka thusa mo go tokafatseng komiti ya gago? Ke a leboga.

MR REATILE (JWANENG-MABUTSANE): Tanki Mr Chairperson. Tlaa ke dumele fela gore ke page 9 ya composition of the committee, e Honourable Minister a supang gore mo bathong ba ba six ba a buang ka bone... Kana jaanong re ne re sa tswa mo melaong ya FATF, re ntse re mo go yone, mme maabane jaana Honourable Serame o ne a re raya fa Honourable Lucas a ne a tla ka

amendments gore re batle batho ba dikitso tse di rileng ba tle ba kgone *to serve* ba ba thuse, o ne a tlhalosa gore ga re ka ke ra nna *prescriptive*. Jaanong gompiano jaana Tona o tla a le *prescriptive* mo dikgannyeng tsa gore jaanong o batla batho ba e leng gore ke ba 10 years, *Human Rights, Finance, Law Enforcement and Information and Communications Technology*. Jaanong ke ipotsa gore *why are we departing* mo kgannyeng ya maabane re bolelelwa gore ga re ka ke ra tsaya yone *route* e? Gompiano jaanong Tona ene fa a tla ka yone a tswa *from the same Cabinet*, a tla a dira sone se e letseng maabane gotwe go tlaa bo go se kaone, Palamente ga e ka ke ya leka gore e nne *prescriptive* mo go direng melao mo lefatsheng la Botswana. Ke ipotsa gore jaanong gone fa go tsamaya jang. O tlaa tla a e tlhalosa go ya pele.

Jaanong ga ke itse gore mo go e ya 4 (a) a ke ne ke e bona sentle *Mr Chairperson*. Ke ne ke bua ka e ya 4 (a) *Honourable Minister* fa o neng o bua gore, “*A legal practitioner to...*” ke tsaya gore ke “*to be appointed as a Judge.*” Ke yone *small typo* gongwe e ke e boneng gone foo.

Ya bofelo o felela mo *Schedule* o ntse o bua gore, “*he or she will be committing an offence.*” Jaanong ke batla go itse gore *offences* le dikotlhao tsa bone ke eng ka gore tsa *officers* tsone ke a di tlhaloganya? Jaanong ba ba komiti fa ba *commit an offence* jaana jaanong *offences* tsa bone kotlhao ya teng ke e e ntseng jang motlotlegi? Ke eme gone foo.

MR KAPINGA (OKAVANGO): Thank you Mr Chairperson. *Le nna ke bue ka palo ya komiti e* Mr Chairperson. From my experience, I do not think we should be expecting a high volume of cases that this Committee is going to deal with. To start with a committee of 10 members, *fa ke ba add, ke gorogile kwa palong ya 10*, I think to start with a committee of 10 members is an overkill because we do not expect that high number of cases to be dealt, or a load of work that would justify a 10 members’ committee.

Sa bobedi, ke kope Minister gore a tlhalose gore, ke gore go nne clear tota gore tiro ya komiti e e tlaabo e le eng. Is it oversight or coordination? *Ke buisiwa se* Mr Chairperson, *ke* Clause 1 (c) “to promote coordination among the investigatory authorities.” How does he envisage this committee coordinating or promoting coordination among the investigatory authorities *a lebile functions tsa yone? Ba ya to coordinate jang* those functions?

Le gone ka palo ya committee Mr Chairperson, we must be cognizant of the cost of creating such a big committee of people, *e le gone re simololang fela re bo re setse re re 10 members*. It has cost implications *tse e leng gore* might be avoided if we start with a lower number. *Ke a leboga* Mr Chairperson.

MR MMUSI: *Thank you Mr Chairperson.* Ke dumela gore *committee* e e siame. Ga ke nyatse gope. *The reason why* re na le *Permanent Secretary in the Ministry of Defence* ke gore kana re dira ka dilo tsa *security*. Re bo re nna le *Permanent Secretary in the Ministry of International Cooperation* because re tlaabo re dira nako e nngwe ka dilo tse di mo mafatsheng a sele. *We need that advice.* *Attorney General* re lebeletse yone melao. *Then, six other persons appointed by the Minister.*

Re bua gore we need 10 years’ *experience in human rights*, re kwadile gore re ya go tlhophatho batho ba ba le six ba na le *experience* mo dilong tse di farologaneng. Dilo tse re dumelang gore ke tse re batlang go di lwantsha thata, *human trafficking is a big challenge which we must fight.* *Finance, money laundering, law enforcement intelligence, information and communications technology*, yo o ka kgonang go gakolola komiti. *That is why we need a broad-based committee*, e e tshwanang le e. Ga re a tshwanela gore re e dire nnyenyane re re re lebeletse gore *we share the money*. Le nna ke dumela gore, komiti e e tlaabo e duelwa ka *allowances*, so fa e le gore e lebeletse *cases* di le pedi fela mo ngwageng, *then it is also fine, we are not spending*, mme fa *cases* tse di le kwa godimo, *definitely* ga go na molato, mme gone *we need a wide range of experience* ya batho. Ke dimalana le komiti e thata e.

Honourable Kapinga o ne a re, *how is it going to promote coordination among the investigatory authorities?* Re na le maphata a a farologanyeng a *investigatory authorities*, re na le DCEC, DIS, sepodise le eng. Komiti e e tshwanetse e bone gore maphata a ga a gotlhagotlhane, ga go nne le sepolotiki mo go one. *It is very important that we ensure that coordination* e nna jalo, ka gore kana fa maphata a ka tloga a gotlhagotlhane, e tlike gore kamoso re bo re nna le dikgang tse dintsi, ba sa kgone go berekisanya sentle.

Honourable Reatile, ke kopa gore o boelele potso ele ya gago *sir*.

HONOURABLE MEMBER: The question Mr Minister is, how are they going to coordinate, how?

MR MMUSI: *They are going to coordinate ensuring that ba a kopana, they see what the challenges are. Kana fa e le gore lephata le lengwe ga le bereke le lengwe sentle, coordination e tswa foo gore go berekisanngwe sentle, tiro e nne in a structured manner.*

HONOURABLE MEMBER: They are harmonizing *maphata* comrade?

MR MMUSI: *Ehe rra*, thank you for that...

HONOURABLE MEMBER: ...(Inaudible)...

MR MMUSI: Rra?

HONOURABLE MEMBER: Minister, *ba bolelele gore it is* time up.

MR REATILE: Gone fa *Honourable Minister*, maabane re sa tswa go bolelelwa ka kgang ya *prescriptive*, gore fa re dira molao ga re ka ke ra nna *prescriptive*. Jaanong wena fa mo bathong ba ba *six* o tla o tlhamaletse fela o re ga ke batle go leba ka kwa ntle, ke leba fela fa. *Honourable Mmusi* o letse o e gana jaana, ka gore e ne e tla ka *Honourable Lucas*. Ke batla go itse gore a kgang e ke ya gore re lebelela mebala kana *content* e e bewang mo tafoleng? Ke sone fela se ke lekang go se tlhaloganya.

MR MMUSI: Nnyaa, kana...

HONOURABLE MEMBER: Nnyaa, o ke o sele molao. O ba reye o re ole e ne e le o sele, o ke o sele o.
