### MINISTERS' QUESTION TIME

#### MINISTER OF FINANCE AND ECONOMIC DEVELOPMENT

##### THEME: HOME OWNERSHIP PROTECTION/ COVID-19 HARDSHIP MORTGAGE FORBEARANCE

**MR D. L. KEORAPETSE (SELEBI PHIKWE WEST):** *Ke a leboga Motsamaisa Dipuisanyo tsa Palamente. O le biditse sentle Mr Speaker leina le la Lehoko. Mr Speaker, there is no doubt that COVID-19 has not only lead to loss of lives of thousands of Batswana and left many families in anguish and sorrow. The disease has also left the economy in tatters. Many people have lost their businesses, jobs and livelihoods notwithstanding the State of Public Emergence which professedly prevented job losses through retrenchments. It is in the Umbrella for Democratic Change's (UDC) considered opinion Mr Speaker that as many of our people struggled to even put bread on the table during COVID-19 pandemic and its resultant economic*

catastrophe, Government has a social democratic responsibility to step up and help. We accordingly appreciate some efforts done, although there are inadequate.

Mr Speaker, this question is about home owners' protection in particular, to understand what Government has done to protect Batswana who are struggling with foreclosures. The starting point Honourable Minister is to understand the extent of the problem. Are you adequately appraised on the extent of the problem? Does the Minister have an idea of the number of people who experienced financial hardships directly and indirectly due to the Coronavirus pandemic, who struggled to make mortgage payments and sought payment relief from banks since COVID-19 engulfed us? Do we have statistics of our people who informed banks that they have pandemic related financial hardships disabling them to service their mortgages? How many Batswana have applied for COVID-19 hardship mortgage forbearance in banks since the outbreak of the pandemic in the country? How many banks and which ones provided forbearance for reasonable periods? The Minister should update this Honourable House on initial forbearance plans which lasted months and those that were extended up to more than a year. Most importantly, what was the role of the Government or the Central Bank in such arrangements? What has been the conversation Honourable Minister between Government and banks regarding the same?

Mr Speaker, we request the Honourable Minister if she could update us on that, it could be that mortgage payments deferrals due to COVID-19 pandemic are beginning to lapse or expire. Whether they have long lapsed, the Minister can confirm from banks' perspective, but the big question is what is the Government doing? Is this Government providing any form of financial assistance or legal support? For example, through legal aid to make sure that Batswana remain in their homes and/or avoid foreclosures post COVID-19 emergency once they recover from the scourge?

Mr Speaker, owning a home is considered a basic human right by the Umbrella for Democratic Change. We view it as a staple for a Motswana way of life. We have a considered opinion that there has to be a budget allocation to support home owners struggling with foreclosure. The question is, is it part of this Government's plan to restore home ownership's stability? There has to be protection programme for home owners by providing mortgage assistance relief services in our humble view. Is the programme in place or envisaged? Do we have a policy on such a relief? If not, is it being developed?

Ka bokhutshwane, ke yone potso gore, a re itse seemo sa Batswana ka ntata ya dikoloto tsa matlo le gore ba fa kae mo nakong ya gompieno ba ba nang le mathata a go duela *loans* tsa bone ka ntata ya go latlhegelwa dikgwebo le letseno mabapi le go latlhegelwa ke ditiro? A Puso e na le maikaelelo a go thusa ba e leng gore gone jaana dibanka di a ba kokotela le *deputy sheriffs* di leka *to auction* kana go rekisa matlo a bone? A Puso e na le *policy* nngwe e leng gore e rotloetsa gore batho ba nne le matlo, ba se ka latlhegelwa ke matlo ka ntata ya segajaja se sa COVID-19 se se re fitlhisiseng fa mo e leng gore batho ga ba na letseno mme e bile ba gobagometswa ke toronko le go latlhegelwa ke matlo? Ke a leboga *Mr Speaker*:

**MR SPEAKER:** *Ke a go leboga Motlotlegi Mopalamente wa Selebi Phikwe Bophirima.* We shall now call upon the Honourable Minister responsible for the Chapter to respond to your question. Honourable Minister Serame.

**MINISTER OF FINANCE AND ECONOMIC DEVELOPMENT (MS SERAME):** *Ke a leboga Motlotlegi Motsamaisa Dipuisanyo tsa Palamente.* Ke a dumedisa batlotlegi botlhe; good morning. A e re pele fa ke araba, ka ke tlaa araba ka Sekgoa, ke leboge motlotlegi, e bile ke mo lebogele potso eo. Go ka bo go ne go le kaone fa e ne e le gore dipotso tsothe tse a di boditseng tseo ke ne ke sa le ke di bone pele ga nako, mme legale ke dumela gore ke di arabile gone.

Mr Speaker, I wish to update this Honourable House on the COVID-19 related policy relief measures relating to the specific issue that the Honourable Member has raised. Like he said, Botswana like other developing economies implemented a targeted fiscal, financial and liquidity support measures to support the affected sectors of the economy, including households. The financial support by Government entailed wage subsidies and loan guarantees to eligible small and medium enterprises. On the advent of COVID-19 pandemic, Bank of Botswana undertook relief measures in the form of reduction of the capital adequacy ratio from 15 per cent to 12.5 per cent; bank rate from 4.5 per cent to 3.75 per cent; primary reserve requirement from 5 per cent to 2.5 per cent among others. Furthermore, Bank of Botswana endorsed the initiative of the banking industry to reschedule the service of loans including selective moratoria on qualifying performing loans with a good repayment history for up to six months, effective 1<sup>st</sup> April 2020 and an offer to restructure loans for entities adversely affected by COVID-19.

To support that initiative Mr Speaker, the banks suspended the raising of specific provisions by banks against loans qualifying for payment moratoria, thus reducing the credit risks arising from the negative effects of the COVID-19 pandemic on banks' customers. Consistent with the International Financial Reporting Standard Nine (9), a higher credit risk would potentially increase the expected credit loss charge. Against this background, the bank generally exercises regulatory forbearance in relation to assessment of non-performing loans and determination of expected credit losses for regulatory and compliance purposes.

Mr Speaker, from the Banking Supervision Report 2020, loans granted payment moratorium by commercial banks amounted to P4.3 billion, P7.3 billion, P6 billion and P5.6 billion in April, June, September and December 2020 respectively, representing shares of 8 per cent, 11.4 per cent, 9.5 per cent and 8.5 per cent in gross loans and advances.

As at 31<sup>st</sup> December 2020 Mr Speaker, a total of 7,850 loan accounts in the banking industry had been given a payment holiday. Private sector enterprises loans accounted for 78.5 per cent of loans granted payment holiday in December 2020. At 30.4 per cent, commercial real estate loans were the largest share of the loans granted payment moratorium. Household loans accounted for 12 per cent of loans granted payment moratorium.

On a quarterly basis Mr Speaker, the number and value of defaulting mortgage accounts that were restructured during the pandemic period under the categories of owner occupied and rented; is an average of 329 accounts valued at P289 million per quarter.

Mr Speaker, following guidance by Bank of Botswana (BoB), National Development Bank (NDB) developed and implemented COVID-19 forbearance strategies, which included but were not limited to the following:

- (i) They offered customers repayment holiday up to six months from 1<sup>st</sup> April 2020.

The accrued interest during the repayment holiday were capitalised into the loan account.

- (ii) Reduction of instalment by up to 50 per cent for a period of six months for cash flow relief as a substitute for payment holiday.
- (iii) Extension of repayment periods for up to 12 months for the affected customers.

Mr Speaker, the NDB granted forbearance measures for a total of 104 clients up to 12 months. NDB was proactively monitoring these accounts and further extended repayment holiday up to December 2020 for nine customers. During 2021, three accounts valued at P40 million were further accorded extended repayment holiday leading to December 2021. A total of 34 customers with a total outstanding balance of P19.6 million under Bonno and Equity, which is home ownership, benefited from the forbearance initiatives.

The Botswana Building Society Limited (BBSL) on the other hand Mr Speaker, implemented the following COVID-19 measures to assist customers; these included repayment holidays, restructuring of loans and improving credit assessment and collection processes. From April 2020 to the end of December 2020, BBS assisted 555 mortgage customers with payment holidays.

Mr Speaker, in relation to Home Ownership Protection, I would like to highlight to this Honourable House that the Non-Bank Financial Institutions Regulatory Authority (NBFIRA) ensures that customer rights are protected in the assessment of insurance products and that the products are suitable in mitigating the insurable risk.

Mr Speaker, the insurance industry is regulated under the Insurance Industry Act, 2015, Cap. 46:01. To ensure the safety of the industry, in accordance with Section 5 of the Act, the NBFIRA is empowered to approve all insurance products before they are offered to the public. Furthermore Mr Speaker, as I have previously reported to this Honourable House, the review of the Retirement Funds Act is ongoing and one of the areas under consideration is the introduction of pension backed mortgage loans. Under this arrangement, pension fund members, that is those who have not yet started earning a monthly annuity, will be in a position to get direct loans from Pension Funds or to use part of the accrued pension as a security for mortgage loans. I thank you Mr Speaker.

**MR KEORAPETSE:** Thank you Honourable Minister. We appreciate the efforts, especially the regulatory forbearance initiatives by the Bank of Botswana but the most important part of the question remains unanswered. The payment holidays that you alluded to could have come to an end or are coming to an end and we have clients owing banks, Batswana who are owing banks who may be facing foreclosures. So the important question is that; is Government providing any

form of financial assistance or legal support to make sure that Batswana remain in their homes and/or avoid foreclosures post COVID-19 emergency whilst they recover from the scourge? That is the most important part that the payment holidays were extended but they may have been extended to people who have lost their jobs and are still out of their jobs, or they have lost their businesses and up to now they have not recovered but the holiday has ended. Now, what is the social democratic responsibility of Government in terms of extending financial assistance? That is the key part.

**MS SERAME:** Ke a leboga *Mr Speaker*. Nte ke gatelele dintlha dingwe tse ke neng ke di buile. **MR SPEAKER:** Ke tlaa go mo kgalemelela.

**MS SERAME:** Honourable Speaker, e fa ke ka palelwa ke go e araba, o tlaa intshwarela ka gore ga ke sure gore honourable a nna le ene re mo temeng.

Honourable Motsamai, tota o bapile le seporo, mme le gale tlaa ke go arabe. Ya dijo, wa re go tsamaiwa gotwe batho ba duele dijo, ga ke itse nkgonne Honourable Member. Fa e le gore go a diragala, ke tsaya gore ke thulaganyo nngwe e ke sa e itseng, mme ke ya dijo koo. Tota gone, motho o ka botsa potso, fa o le Mma Serame o le modirelapuso o bo o dumela go phakisiwa dijo o amogela, tona wena o a bo o ne o dira mo go bidiwang mang? Fela kgang e tona e o buang honourable ke gore, ka seemo se re leng mo go sone sa COVID-19, matshelo a batho a amegile thata. Re bone gore re ema ka dinao gore re ba thuse gore re se ka ra fitlhela ope a setse kwa ntle, a le mo tshokolong e e leng gore kgotsa re ka bo re ne ra bona tsela ya go ba thusa. Ke tsaya gore ke sone fela se ke ka se buang Mr Speaker.

Kwa bofelong fela Honourable Motsamai ke gore, tota kgang tsa bonno, gore batho ga ba na fa ba nnang teng, di a tshwenya, ka gore fa o sena bonno tota ga o na botshelo. Jaaka ke ne ke bua, re tlaa tswelela re ntse re di buisana, re dira go feta fa re setseng re dirile teng go bona gore re ka thusa Batswana ka tsela e e ntseng jang. Ke a leboga Mr speaker.

**MR SPEAKER:** Thank you Honourable Minister. Our time is up on that particular question. We are now going to be calling the Honourable Member of Parliament responsible for Jwaneng-Mabutsane to confront, for lack of a diplomatic work, the Honourable Minister responsible for mines.

**MR M. REATILE (JWANENG-MABUTSANE):** Ke a leboga Mr Speaker Rraagwe Nkamo. Ka bokhutshwane Mr Speaker, Tona yo o tshwareletseng bogosi jwa kwa meepong, o kopile gore ke go kope *later date* ka boikokobetso jo bo kalo.

**Later Date.**

**HONOURABLE MEMBER:** Re ka feleletsa *question* e le Mr Speaker; fa o letla *because there is a bit of time*.

**MR SPEAKER:** Le tshwenya ngwanake.

**HONOURABLE MEMBER:** A mme go a tle go dirwe jalo Mr Speaker?

**MR SPEAKER:** Ke tlaa le fa *five minutes* bakaulengwe.

**HONOURABLE MEMBER:** You are setting a precedence Mr Speaker, *e e tlaa re palelang fa re ya kwa pele*.

**HONOURABLE MEMBER:** Speaker's ruling is final.

**DR TSHABANG:** Mr Speaker, ke dipotso tse pedi ...

**MR SPEAKER:** Intshwareleng bakaulengwe, *I am deliberately setting this precedence* ka lebaka la gore re ne re tshwanetse re nne le potso ya ga Motlotlegi Mopalamente wa Jwaneng-Mabutsane, Motlotlegi Rraetsho Tona o ikobile gore ga a yo. Re santse re na le nakonyana e khutshwanyane, *that is why* ke re *five minutes*. Kana potso e e buelelela Batswana, ba gapelwa matlo.

**HONOURABLE MEMBER:** *Mr Speaker, ga go thokafale gore o tsene mo tshekong, use your discretion.*

**MR SPEAKER:** Ke lebogile rraetsho, ga ke gatelele ...

**HONOURABLE MEMBER:** Ramogapi, o sekhurumelo sa pitsa nngwe le nngwe fela wena, kante o motho yo o ntseng jang, fa o batla go khurumela dipitsa tsotlhe fela jaana?

**MR SPEAKER:** Gatwe go rileng jaanong?

**DR TSHABANG:** *Thank you Mr Speaker. Ga ntsi Minister o bua ka kgang ya review of pension funds guidelines, regulations le policy ya teng, mme nako kgolo ke eno, ga a ise a tlise that review mo Palamenteng e. Ga ke itse gore a ke promise e e leng gore e tlaa nna e le promise, promise. So ke batla gore a concretize gore o tlaa e tlisa leng so that re e lebelele because Batswana ba e emetse, bangwe ba mo poverty ya pensions ba batla go dirisa pensions tsa bone go sireletsa mortgages.*

Ya bobedi ke gore, kana kgang ya State of Emergency (SoE) e nnile 18 months, jaanong over that period, people have been affected differently jaaka o setse o buile. A mme le ne le na le plan nngwe ya gore e tlaa re after SoE, you will cover dilo tse di tshwananng le mortgages, kana ke gone le tsogang fela le re nnyaa, re tlaa lebelela? Go a tshwenya, batho ba bangwe ba setse ba latlhegetswe ke matlo, ba bangwe are in the verge of losing those houses, mme go sena a concrete plan e wena Minister of Finance and Economic Development le dibanka le e beileng kwa pele kwa ntle ga yone e le neng le e bua fela ya Bank of Botswana (BoB) le dibanka fale le fale ba a fa instalment holidays. Kana instalment holiday e ntse ke molato, o sutelediwa kwa pele, but se se batlegang ke gore, if the effect of COVID-19 was really negative, Goromente a reng ka go thusa to cushion going forward?

Tota mme in the event that this virus continues, re tlaa nna re beile fela mo Modimong fela jaaka re ntse re beile mo Modimong? Thank you.

**MR SPEAKER:** Before the Honourable Minister responds, Motlotlegi Rraetsho Dr Tshabang, ga o ka ke wa raya Tona wa re a ke gone fela le tsogang. Gatwe, a ke gone fela le lemogang, rialo.

**HONOURABLE MEMBERS:** ...(Laughter!...)

**DR TSHABANG:** A ke gone ba thanyang after State of Emergency (SoE)?

**MR SPEAKER:** Nnyaa, o se ka wa rialo. Intshwareleng bagaetsho, let us have order please. Honourable Member for Nkange, ga o ka ke wa raya Motlotlegi Mmaetsho Tona wa re a ke gone le tsogang. The correct procedure ke, a ke gone le lemogang, rialo.

**DR TSHABANG:** ...(Laughter!)... A ke gone le lemogang mmaetsho?

**MR SPEAKER:** Thank you.

**MS SERAME:** Ke a leboga Mr Speaker. Honourable Tshabang tsala ya me, ke kopa gore o mpulse ka lerato. Mr Speaker, Honourable Members, mo kgannyeng ya ntlha jaaka ke ne ka araba potso mo Ntlong ya Palamente, last time fa re ne re kopana, ke ne ka tlhalosa gore the review ya Retirement Act e tsweletse. Mo tebong ya bokete jwa tiro, ke dumela gore e tlaa tla mo ngwageng wa 2022. I was very clear and very specific in this Honourable House, kgotsa legale ka gatwe batho re a bo re robetse, mme ke ne ka bua jalo. Se ke lekang go se dira Mr Speaker...

**DR TSHABANG:** Wa re bomang ba ne ba robetse?

**MS SERAME:** Wa re ke robetse gakere, a ko o didimale Tshabang. Se ke lekang go se dira Mr Speaker, ke go pepetletsa le ba ba dirang molao o gore tota mme le fa re ne re soloeditse gore o tlaa tla ka July 2022, ga go na gore re ka leka go gefosa gore o tle pele ga July 2022, ke se re lekang go se dira. Ke ne ke tlhalositse mo Ntlong e gore tsholofelo ya me ke gore kgotsa o tlaa tla ka July 2022. Re leka go ba kgarametsa (push) gore o tle before that.

Ya bobedi, kana the reason gompieno re kgona go bua ka dithulaganyo tse di dirwang ke Bank of Botswana (BoB) even beyond this SoE, ke gore re ne re lemoga gore go na le dikgwetlho. Le beyond dikgwetlho, re tlaa tswelela re bona gore re ka dira jang go nna re ntse re thusa batho. Ke sone se le dingwe tse ke ntseng ke di bua, they go beyond the SoE ka gore re itse gore go amega ga batho go ntse go teng le mo nakong ya gompieno. Jaaka ke ne ke bua, re tswelela re lebeletse, re tlaa tswelela re ntse re bona gore a go na le sengwe se se fetang se re setseng re se dirile, se re ka se dirang go thusa Batswana ka gore gone ke kgwtlho e tona. Ke a leboga Mr Speaker.

**MR RAMOGAPI:** Ke a leboga Mr Speaker. Mma ke simolole ka go go leboga Tona, go bo o araba matshwenyego a batlhophi ba rona, kana le wena ke ba gago. Tota ka gore go na le kgang ya insurance, fa motho a dira mortgage, jaanong fa batho ba le mo mathateng,

ba latlhegela ke ditiro ka COVID-19, *insurance* kana e a ba huralala Tona. Tota jaanong la reng ka yone ka gore e ka re ke gone fa mathata a mangwe a bakiwang ke sone seo teng? Ke re a ko o tlhalosetse Batswana. Ke a leboga.

**MS SERAME:** Ke a leboga *Honourable Ramogapi*, e bile gore o nkgakolole ntlha eo ya *insurances*. Se se diragalang batlotlegi, bontsi jwa rona fa re ya go ikopela madi a go aga kana go reka matlo, go na le kgang yone eo ya *insurance*. Fa e le gore go na le gongwe go se ka go dira dilo sentle ka fa *insurance*, go na le ba ba maleba ba ke tlaa itshwaraganyang le bone ba Non-Bank Financial Institutions Regulatory Authority (NBFIRA), mme *so far*, dikgang tsotlhe tse di tlileng kwa go rona Rre Ramogapi, ga go na epe e re kileng ra fitlhela e le gore ba *insurance* ba ne ba itatotse motho. Legale ke tlaa boela kwa go ba NBFIRA gore re ye go di tlhotlhomisa, re tsamaye le tsone tsotlhe ka gore *so far*, tse di tlang, e a bo e le dikgang di sele. Ga re ise re ko re tsamaye re nne le e *insurance* e neng e sa dira se e tshwanetseng go se dira. Ke go tlhomamisetsa gore go tlaare re ye go e tsenya leithlo le yone ka gore tota *insurances* di tshwanetse go thusa. *The reason* batho ba duela *insurance* fa ba adima madi, ke gore fa motho a tsena mo seemong se, *insurance* e mo duelele. Gape se se botlhokwa ke gore le wena e re o adima madi o tsaya *insurance*, o tlhomamise gore *insurance* ya gago e tsenya eng. Fa gongwe re tsaya *insurances* tse e leng gore kwa bofelong, fa o tsena mo seemong, o ya go fitlhela e le gore tumalano ya gago ya *insurance* eo, ga e go tsenye mo dilong dingwe, le tsone tseo di botlhokwa. Ke a leboga *Mr Speaker*.

#### SETTING UP OF THE SPECIAL PARLIAMENTARY SELECT COMMITTEE

### Motion

**MR KEORAPETSE (SELEBI PHIKWE WEST):** Thank you Mr Speaker. Mr Speaker, we have talked about this issue, Honourable Members are accordingly advised that this Motion will not proceed. We have talked at length about it for a number of days with the Honourable Speaker and the Clerk's office. The

release of the Auditor General's report would mean that now this matter falls within the purview of the Public Accounts Committee (PAC) which I chair, we now have to go and examine that report. Part of what this Motion requires, will obviously be part of that process. Accordingly, we had requested that Motion number 14, be elevated to the spot where this one is, whilst we make a final determination in terms of what happens. Let me just say that Mr Speaker and say that this Motion will not proceed.

**MR SPEAKER:** Ke a go leboga Motlotlegi Mopalamente wa Selebi Phikwe Bophirima ka botswere jo o tlhalositseng ka jone gore Tshutiso e ga e kitla e tswelela. E bile o tlhalositse gore Standing Order 29.1 *after prorogation*, o ne o nnile motho wa ntlha go tlisa Ditshutiso, *the next Motion* o o leng kwa go 14, o tlaa tswelela o goletseg, mme ga o kitla o buiwa gompieno ka lebaka la gore Motlotlegi Rraetsho Tona yo o lebaneng ga a ise a ipakany. O tlhoka nako e e tletseng, go raya gore Tshutiso eo, re tlaa e bua mo pakeng e e latelang.

**LEADER OF THE HOUSE (MR TSOGWANE):** *Point of procedure Mr Speaker.* Ke dumalana le kuthwisisanyo le paakanyo e Motlotlegi Mopalamente a e buang. *Notwithstanding that Mr Speaker;* ga re ka ke ra dumalana le gore jaanong ba bangwe ba *Motions* tse di neng di latela *should suffer because of that.* *Motion* tsa bone di tlolwe, go tsewe *number 14* e ye go emela ele. Ga ke itse gore re tlaabo re dirisa Standing Order sefe, se se buang gore *Motion* wa gago fa e le gore ka mabaka mangwe ga o tsene o na le tletla le tshwanelo ya gore jaanong o tlodise ba bangwe ba ba nang le *Motions* e bo jaanong o fiwa *that leverage.* Ga ke itse gore a e tlaabo e siamets Ntlo e. Batlotlegi ba ba tlisitseng *Motions*, ba tlisitse *Motions* tsa bone jaaka di ntse. *It is unfortunate* gore wa gagwe *Motion* ka mabaka a a rileng, ga a kgone go o tsenya. Ke solo fela gore thulaganyo e tshwanetse gore e sale e ntse, *Motion* di tlhomagane jaaka di tlhomagane. Wa *Motion* o o latelang le ene, o na le tshwanelo ya gore a bo *Motion* wa gagwe o tsene. Jaanong ga ke itse gore fa re ka dira jalo, a re tlaabo re tsamaisa sentle *Mr Speaker.*

**MR SPEAKER:** Ke a go leboga rraarona Motlotlegi Motshwarelala Rraetsho Tautona, e bile o le Motlotlegi Mopalamente wa Boteti. Nyaa rraetsho, ke go utlwile mongwame. Motlotlegi Mopalamente wa Selebi Phikwe Bophirima, fela jaaka Standing Order 29.1 se bolela, e rile *immediately* ya nna ene yo o tsisang. *Administratively* Motlotlegi Rraetsho Tautona, *we have*

*agreed to handle and treat this matter ya ga Motlotlegi Rraetsho Keorapetse administratively. Subsequent to that, Standing Order 5.1(c) strengthens my argument as the Speaker; that much as I need to protect the rights of Members of Parliament, the rights of the minority have to be protected as well. I pray Mr President, that this issue we should not make an argument about it here and leave it to us to treat administratively. I so thank you sir.*

**MR KEORAPETSE:** Point of procedure Mr Speaker. *Ke a leboga Motsamaisa Dipuisanyo tsa Palamente*, just to allay His Honour the Vice President's fears, no one will suffer any prejudice. The Speaker has made it clear that I was the first to submit Motions. In the past, as I had submitted my Motions *di ne di ka bo di tlhomagane di le pedi.* *Nkabo e re o jaaka o fa o wa, e bo go tsena o o latelang.* Administratively, *go bo go dirwa gore re tlhomagane jaaka o bona re tlhomagane.*

So no one is going to suffer any prejudice, because their slot remain. This is an administrative issue, *e e leng gore fa go sena go nna go ntshiwa* Notice Paper, *go bo go tla* Auditor General's Report, I approached the Speakers Office. I think we need to respect their decision in this regard. Most importantly, no one is going to suffer any prejudice. No one is going to lose any of their slot, because in any case number 14 was submitted before any other Motion was submitted in this Parliament. *Ga gona le fa le confusion gone foo* Mr Speaker.

**MR SPEAKER:** You have made you point Honourable Member.

**MR KEORAPETSE:** Thank you.

**MR SPEAKER:** *May we have order please.* Bagaetsho, ke tlhalositse gore Tshutiso e Motlotlegi Rraetsho Keorapetse a buang ka yone, e re buang ka yone ya 14, ga e ye go buiwa gompieno. E ya go tsena mo seemong se ke buang ka sone, e tlaa re mo nakong e e tlang ke gone e tsene, e seng e tsena gompieno. Kopo ya rona bagaetsho...

**HONOURABLE MEMBER:** Point of procedure Mr Speaker.

**HONOURABLE MEMBER:** Ntle re go thus.

**MR SPEAKER:** Let us have order please. *Fa ke bua ga go na ope yo o nthayang* are point of Order, Please. Respect our decision *go tsaya* Mapalamente *ka tekatekanyo.* Respect our decision to read and interpret the Standing Orders before yourselves. Do not solicit with me.

**MR TSOGWANE:** *Procedure. Mr Speaker, kgang e gore re e wetse sentle e se ka ya re kamoso re bo re dira a wrong precedence, ga ke fetole decision ya gago mme fela ke kopa gore please let us go to General Assembly re ye go e bua sentle, re fane mabaka re tle mongwe le mongwe a tlhaloganye gore fa o tlisitse potso, kana ke gore motho o ka gakgamala gore fa e le gore Rre Keorapetse is honest gore di ne di tshwanetse gore di tlhomagane, how come e ya go tsena kwa 14. Akanya fela gore gompieno jaana go kgona go tlogelwa Palamente go builwe Motion fa gongwe di le pedi, fa gongwe go builwe Motion di le tharo. Jaanong fa o dira 14, obviously some are going to suffer prejudice, because Motions tsa bone ba bo 13 ba kgona go felela ba sa tsena. Gongwe re e ise kwa General Assembly Mr Speaker, re ye go e dumalana sentle.*

**MR SPEAKER:** Thank you Your Honour. The matter on this issue is closed. Order! Order! The next Motion on the Order Paper, *ke wa ga Motlotlegi Leader of the Opposition. Ga a yo ka tiro.* He is attending a Commonwealth Parliamentary Association (CPA) Conference in Nigeria. *Ka jalo go latela o o latelang.*

#### **Motion**

**HONOURABLE MEMBER:** Re kopa o tlhalose sengwe *Mr Speaker.*

**MR SPEAKER:** The issue *ya ga Rre Keorapetse* is closed. I am not entertaining any explanation on that.

**HONOURABLE MEMBER:** It is on Saleshando.

**MR SPEAKER:** We are going to the next Motion.

**HONOURABLE MEMBER:** Procedure Mr Speaker.

**MR SPEAKER:** Honourable Saleshando ga a yo, o laetse rona re le boeteledipele jwa Palamente, Re mo rekets *tickets* gore a tsamaye.

**HONOURABLE MEMBER:** Mr Speaker, *ga ke bue ka tickets, ke bua ka...*

**MR SPEAKER:** *Order please!* Le re itaya tsebe.

**HONOURABLE MEMBER:** Se nne o tlontlolola batho *Mr Speaker,* go rekela motho *ticket* go tsena ha kae?

**HONOURABLE MEMBER:** Ee, o kare a re ba mo rekile gore a tsamaye.

**MR SPEAKER:** Order! Order! Honourable Mmolotsi, please present your Motion.

**MR MMOLOTSI (FRANCISTOWN SOUTH):** Thank you very much Mr Speaker...

**HONOURABLE MEMBER:** Procedure Mr Speaker.

**HONOURABLE MEMBERS:** ...(*Murmurs*)...

**MR SPEAKER:** Honourable Moswaane what is your point of procedure.

**MR MOSWAANE:** *Mr Speaker, ke re o lebelele ntlha ya tsamaiso gore kana re kgona go ya kwa mafatsheng re bo re nna virtual, jaaka nne a ntse a seyo a le virtual. Gongwe o ka mo kgoreletsa o re ga yo, a ka nna virtual. A le tlhodile that kind of procedure Morena?*

**MR SPEAKER:** Ke a go leboga Motlotlegi Mopalamente wa Francistown Bophirima. Motlotlegi Rraetsho Saleshando, yo a e bileng a le Moeteledipele wa Kganetso, ga a ngwega o laetse. O re laetse sentle, ra laelana gore o tlaa boa leng. *Honourable Mmolotsi!*

**MR MMOLOTSI:** Ke a leboga *Mr Speaker.* Ke lebogela nako e o e nneetseng gore ke eme Palamente pele mo letsatsing la gompieno, ka Tshutiso e le mo nakong e e fetileng ke ne ke na le maikaelelo a go e sutisa, mme ka tshwarwa ke nako. Ke belaela gore e ne e le thulaganyo e e siameng thata ya gore ke tshwarwe ke nako, gore re tle re tsene mo seemong se re neng re le mo go sone sa bolwetse jwa COVID-19, jo bo ileng jwa re bontsha gore *if the country is not able to produce food for itself, fa go sena food security and food self-sufficiency* mo lefatsheng, lefatshe le ka tsena mo mathateng a a ntseng jang.

Ke sone se ke reng, nngwe ya *the silver linings* tse re di bonang mo COVID-19, e re rutile gore re tshwanelwa ke go bona gore re thusa Batswana ka tsela e e ntseng jang. Ba kgone go ntsha dijo mo lefatsheng la bone ka gore fa re le mo mathateng, re ka iphitlhela re wetse mo isong. Ke sone se mo letsatsing la gompieno ke nang le Tshutiso *Mr Speaker;* e kopang gore Goromite a sekaseke go thusa balemi ka go ba epela didiba mo masimong a bone. Go tle go kgonagale gore molemi mo lefatsheng la Botswana, a se ka a baya temo ya gagwe fela mo metsing a pula. A kgone go lema *all year round,* a fetola dijwalo tse a batlang go di lema go tswa mo goreng *season eo,* e ka tswa e le ya dijwalo tse di ntseng jang jalojalo.

*Mr Speaker, o tlaa gakologelwa gore Botswana imports bontsi jwa dijо kwa mafatsheng a sele. Re reka almost all our food stuffs kwa South Africa. Re kgona go dira worse and order even cereal. Re kgona to order mabele kwa mafatsheng a kgakala a a tshwanang le Brazil. Mo nakong ya gompieno, lefatshe la rona Mr Speaker, le reka dijо; e ka tswa e le mabele, mmidi, dairy products, ditee, dikofi and everything from other countries. O kgona go bona gore import bill e kwa godimo ka tsela e e leng gore fa dilo tse di ne di rekiwa mo Botswana, madi a a kanakana a re a dirisang kwa mafatsheng a mangwe, re ka bo re a dirisa mo Batswaneng. Re ka bo re reka dilo tse mo baleming ba lefatshe la Botswana, re sa ise madi a, kwa mafatsheng a sele. Fa o lebelela ka January 2021, our food import bill was around P782 million. O kgona go bona gore madi a, fa re ne re ka tsamaela kwa pele ra supa kgwedi le kgwedi gore go ne go tsamaya ka tsela e e ntseng jang, o ka bona gore lefatshe la rona le latlhegela ke madi a a kae. Ka February Mr Speaker, the value of dijо tsotlhe that were ordered in Botswana amounted to P6,3 billion. O bo o ipotsa gore fa madi a a kanakana re a dirisa go reka dijо kwa ntle, a fa re ne re ka thusa Batswana go nna le didiba tse di ka ba thusang go nosetsa gore ba ntshe dijо mo masimong a bone, a re ne re tlaabo re sa direle lefatshe le tiro e e siameng? Fa ke go neela sekai se sengwe, dilo tse di dirang sentle mo Botswana tse di tshwanang le mabele, mmidi, bo eng, we order them ka quantities tse di kwa godimo. O kgona go bona gore cereal mo ngwageng wa 2021 accounted to 18.4 per cent ya the total amount ya madi a a dirisitsweng go reka dijо kwa ntle ga lefatshe la Botswana. Se se raya gore dijо tse Batswana ba tswang kgakala ba tlwaetse go di lema, gompieno ba kgorelediwa ke pula gore e na late, it is erratic, fa gongwe ga e ne. Re itemogela gore dilo tse, re ka bo re di dira mo lefatsheng la Botswana fa re ne re ka nna le didiba tse re nosetsang motlhofo go lemega, e bile Batswana ba na le ditso tse di tiileng tsa go lema dijо tse.*

Pula ya lefatshe la Botswana Mr Speaker, is erratic and unreliable. Jaanong go tsenya Batswana mo sebakatsatsing sa go itse gore they aim go lema nako efe. Fa gongwe fa ba ikaletse gore ba tlaa lema ka dipula tsa ntlha, di tsamaela ruri. Fa dipula di tsamaetse ruri jalo, dijwalo tsa bone ga di kgone go mela. Go bo go raya gore ba emela gore pula e nngwe e tle, ba bo ba lemola, ba lema. Fa gongwe go bo go pala gape. Dilo tse ga di ka ke tsa diragala under irrigated farming fa e le gore Batswana ba ka nna le didiba mo masimong a bone. Golo mo ga go emela dipula, e ka nna selo sa bogologolo. Golo mo ga go tlhoka dijо. e ka nna selo

sa bogologolo. Mr Speaker, kopo ya me mo letsatsing la gompieno ke gore, Goromente a leke ka bojotlhe go thusa go epela Batswana didiba mo masimong a bone. Re a itse gore fa go sena metsi mo dijwalong, le fa di lemilwe they suffer a lot. Di a swaba, di bo di felela di swa. Fa go na le metsi, re sure sentle gore ga go ka ke ga nna le mathata ao. Re sure sentle gore go ya go nna le thobo le thekiso ya dijо. O tlaa lemoga gore temo e, e ya go thusa go tshetsa leruo la rona. Fa re lema dijо tse ke buang ka ga tsone, we will also be able to grow mo go bidiwang gotwe stock feed, alfalfa or lablab, lucerne le other palatable species tse di nontshang leruo la rona. Re tlaa di ntsha mo masimong. Go bo go raya gore pastoral farming ya rona e nna strong. Dikgomotsa rona di tshela because we are able to produce stock feed mo masimong a Goromente a tlaabong a a thusitse gore go nne le didiba mo go one. Re ntsho dilo tse ka go farologana.

Jaanong mo dingwageng tse di fetileng, Goromente wa lefatshe la Botswana o buile ka dikgang tsa food security and food self-sufficiency, o bona gore o na le keletso ya gore Batswana mo lefatsheng ba nne le dijо. Lefatshe la Botswana le kgone le itshetlele mo go itireleng dijо gore mo dinakong tsa mathata, re se ka ra rely mo mafatsheng a mangwe. Ke sone se o bonang Goromente a neng a tswa ka mananeo a a farologaneng a a tshwanang le Livestock Management and Infrastructure Development (LIMID) a a thusang balemi gore ba agelele masimo a bone gore ba se ka ba jelwa. **MR SPEAKER:** Thank you Your Honour the Vice President. Motlotlegi Rraetsho Motshwarelala Rraarona Motlotlegi Rraetsho Tautona.

**MINISTER OF BASIC EDUCATION (MR MOLAO):** Ke a leboga Mr Speaker. Mma ke re tlaatlaa le fa nako e setse e re siile. Ke supe fela lwantha gore...

**DR GOBOTSWANG:** On a point of order. Mr Speaker, ka gore His Excellency the President Mokgweetsi Masisi o kare ke a mmona mo Palamenteng, ke ne ke botsa gore a Rraetsho Slumber Tsogwane a e ntse ke the Acting President? Ke a leboga.

**MR SPEAKER:** Ee rra, e ntse ke the Acting President ka gore Motlotlegi Rraarona, the substantive President of this Republic, o kwa mafatsheng a a tsididi. Mo lefatsheng le re na le Rraarona Mothusa Tautona.

**HONOURABLE MEMBER:** Nnyaa, mme ke yo re a mmona.

**MR SPEAKER:** Ee, re tshwanetse re mmone, ke tshwanelo.

**MR MOLAO:** Batho ba Sefhare-Ramokgonami e rile ba re ba a tlhopha ba ne ba tlhopha tota.

Ke a leboga Mr Speaker. Mma ke tswelele le puo ya me ke re ke ne ka reetsa Motion jaaka o ne o begwa fa, ka reetsa bakaulengwe ba ba neng ba tlhomagana ba bua ba o support. Mr Speaker, as a student of politics, ke ne ka tlelwa ka bofeso mo tlhaloganyong ya me ke go leba lefoko le gotweng demagoguery. Mr Speaker, fa o leba mo dictionary, lefoko demagoguery fa o ka ntetla go le nopola gore ka Sekgoa gore le raya eng.

**MR SPEAKER:** Do quote Honourable Minister.

**MR MOLAO:** “Demagoguery is a political activity or practices that seek support by appealing to the desires and prejudices of ordinary people rather than by using rational argument.”

Ke nopola lefoko le gore le raya eng. Fa o reditse o kgona go bona political demagoguery in action.

Re a itse gore batho ba rona kwa magaeng le rona tota re le fa re le Mapalamente, re eletsa thata gore Goromente fa e le gore re na le masimo, o ka re phunyetsa didiba mo masimong. These are the desires tsa mongwe le mongwe. We know gore ga go practical gore each and individual farmer and each and individual tshimo go ka epiwa sediba mo teng, bogolo jang sa nosetso. Ke sone Goromente e ne ya re fa a tla ka lenaneo le a leka go rotloetsa cluster fencing gore batho ba kgobokane masimo a bone ka go tlhaloganya gore ga e ka ke tshimo nngwe le nngwe ya phunngwa sediba ga bo gatwe re dira irrigation mo tshimong eo. Batho ba kgobokane gore go se ka ga nna turu gore ba ka phunyediwa sediba se ba ka nnang kwa masimong ba lema, ba bo ba dirisa metsi ba kgobokane, ba le golo go le gongwefela.

Akanya fela Mr Speaker, mma ke fe sekai kwa bokone kwa kgaolong ya Tati West fa Masunga. Go na le cluster kwa Masunga e e nang le individual farmers ba le 150 ka palo mme ba na le masimo, mongwe le mongwe wa bone a na le tshimo ya gagwe. A re fe sekai fela gore fa batho bao ba le 150, mongwe le mongwe a eme ka tshimo ya gagwe, botlhe ba ka apply ba bo ba re as individuals jaaka Motion o kopa, ke batla go phunyediwa sediba mo tshimong ya me.

A re tseye gore gongwe go ne go ka kgonagala, go bo go ya go phunngwa didiba di le 150 mo masimong ao, yield ya tsone ya go nosetsa e ka nna kana ka eng? A go ka kgonega gore e nne didiba tse go ka nosediwang ga ba ga nna le maduo a go nosetsa di thatlagane di le 150 golo go le gongwefela?

Ke sone se kwa Masunga ba neng ba dira gore *cluster* eo ya batho ba le 150 e leng 760 *hectares*, ba dumalane gore e dirwe *into one big farm*. Mongwe le mongwe a bo a nna le setlankana sa gore ke na le 10 *hectares* fa, nna ke na le 20 *hectares* fa. Gone foo fa go ntse jalo, ke gone fa e leng gore fa go bonwe metsi a mantsi a a ka dirang *irrigation*, go ka phunngwa sediba se le sengwefela, di le pedi kgotsa di le tharo tse jaanong di ka dirisiwang *to irrigate the whole 760 hectares wa cluster e ntse jalo*. Jaanong fa e le gore re tlaa fa *and emphasise* gore nnyaa *individual farmers, then o a kgona go bona fela gore it is an impracticability* fela go simologa. Le *yield* ya didiba tseo, fa Goromenta a ne a ka nna le madi go di dira, tota ga se selo se se ka berekang.

Mopalamente Mathoothe o ne a bua gore le gokeletse batho didiba, ba a itumela ba tla ka dikaraki, ba tla ka eng go supa gore ba tlhoka metsi. Ee, ba mo *cluster*. Fa e le gore *cluster* eo mongwe le mongwe o ka ema ka sediba sa gagwe, *yield* e ya go nna kana ka eng?

**HONOURABLE MEMBER:** Clarification.

**MR MOLAO:** Nako ga e yo *Honourable Tshabang*. Ke selo se se buegang fela fa go supa gore *Motion* o tota *it is us just to whip emotions of people* gotwe, ‘nnyaa, re ne re rile re le tsenyaetsa didiba go a ganwa.’ Ra re fa batho ba le mo *clusters* go botoka gore ba ka phunyediwa didiba.
